

BACHELOR OF ARTS - INTERDISCIPLINARY STUDIES BACHELOR OF FINE ARTS (BFA) BACHELOR OF MUSIC (BMus)

2005 - 2006 ARTS & SCIENCES PROGRAM REQUIREMENTS

Name: _____ Major: _____

The faculty specifically designed these program requirements to give you an educational experience that will be foundational to any career you may choose and to your becoming a lifelong learner.

Guidelines:

- Understand the rationale for each requirement:* Why are you studying this? Have the courses you've taken supported the rationale? Why/why not?
- Research the courses:* What are possible sources of information (Catalog? Web? Instructor? Department? Other students?), and their strengths and weaknesses?
- Test yourself on the Frequently Asked Questions* (see page 5): What information/resources are most critical to you now? What about later? Why?
- Explore different majors and/or connect with your major department*:* What are the decision-making strategies you can use in deciding on a major? What can your major department offer you besides a list of major requirements?

***Note: Major requirements are not included in this brochure. See your (intended) major department for a list of requirements and schedule a meeting with a department advisor (phone numbers below).**

Please keep this copy in your advising file and bring your advising file with you whenever you have an appointment with an advisor.

Frequently Asked Questions about an A&S Degree Program

1. Do I have to change my program requirements each year?

No. While the program requirements may change from year to year, you follow the program requirements that were in effect during the academic year you entered the UH system (e.g., UH-Manoa, UHM Outreach College, UH community colleges, UH Hilo, UH West Oahu). If you break from the UH system for a year or more and then return, then the re-entry academic year is your program requirement year and you will need to follow the requirements for that year. To confirm your program requirements for graduation, see an advisor.

2. How can I make sure that I'm making satisfactory progress in getting my degree?

While you are ultimately responsible for your degree program, you can obtain help from A&S Student Academic Services and your major department at each stage of your college career by doing the following:

Transfer Students/Freshmen:

First Year Advising Center (FYAC) in QLC SS101 (www.advising.hawaii.edu/artsci/fyac) or call 956-7273. Also contact the New Student Orientation Office at 956-3667 or 1-888-700-5420 (www.hawaii.edu/nso) to sign up for orientation.

Sophomores:

Explore potential majors. Visit the departments and websites for more information.

Juniors:

Upon deciding on an Arts & Sciences major, sign up for a Junior Matriculation and Planning (JUMP) session at Hawai'i Hall 108 or call 956-8755.

Seniors:

The semester prior to your expected graduation, complete the Certification of Fulfillment of Major form (the 'Goldenrod' form) with your major advisor, and then sign up for a Graduation Audit (GRAD) session when you return the form to Hawai'i Hall 108 (or call 956-8755). If you are doing a Minor/Certificate, your Minor/Certificate forms must be received at Hawai'i Hall 108 prior to your GRAD session.

Pre-professional (e.g., pre-med, pre-health, pre-law):

Visit the Professions Advising Center (PAC) at Hawai'i Hall 102 or call 956-4045. (www.advising.hawaii.edu/artsci/pac)

Probation/Suspension:
