Name: ___________________________ Major: ___________________________

UHM Undergraduate General Education Core and Graduation requirements are made up of Foundations, Diversification, Focus and Hawaiian/Second Language areas. Through this program requirements sheet, we have attempted to assist you in selecting courses that incorporate these requirements with Arts & Sciences college and degree requirements. We have also used General Education designation codes as a means of integrating UHM Core and Graduation requirements with Arts & Sciences college and degree requirements. This sheet is not a substitute for seeing an academic advisor. Come in for advising at least once a year and whenever you have questions.

Advising can help you develop an educational plan, evaluate your academic progress, resolve issues, improve your academic performance, transition into a career or graduate school, and much more.

The CASSAS Advising Partnership
Rather than make decisions for students, advisors discuss options and help students connect with the campus community; advisors thereby assist students in identifying curricular choices while promoting a high degree of academic planning freedom. In this collaborative partnership, advisors both support and challenge students in order to encourage critical thinking, self-assessment, and in-depth reflection.

A&S Majors and a Liberal Arts Education
A liberal arts education offers a broad-based and integrated perspective on the world and human experiences; better self-understanding; societal, civic, and global knowledge; an independent and inquiring mind; a desire and capacity for life-long learning; and valuable transferable skills. For more information see “Liberal Arts and Transferable Skills” on the CASSAS website at http://www.advising.hawaii.edu/artsci or call (808)956-8755 to set up an appointment with an A&S advisor.

« A&S Credit and Grade Requirements
...allows students to experience a diverse curriculum while creating and achieving high-reaching academic goals, applicable to and often necessary for real world practices.

CREDITS
A minimum of 124 applicable college-level credits* of which at least:
• 104 credits are from Arts & Sciences courses
• 60 credits are from non-introductory courses, which are courses that are:
  a) 300-level or higher, or
  b) 200-level with an explicitly stated course prerequisite, as indicated in the UHM Catalog. This course prerequisite must be at the college-level (i.e., 100-level and above).

  NOTE: English language courses numbered 250 through 257 have a course prerequisite but are considered INTRODUCTORY courses and DO NOT fulfill this non-introductory credit requirement.

• 30 credits are earned at UH Manoa

*Credits exceeding the following maximum credit levels cannot be applied to the 124 total credits requirement:
  Directed Reading or Research (X99): 9 credits
  KRS/KLS activity: 8 credits
  Practicum: 12 credits
  Non-UH system junior/community colleges: 60 credits

GRADES
Cumulative: Minimum 2.0 grade point average (GPA).
Arts & Sciences Program Requirements: “D” grade (not D-) or higher required to fulfill Arts & Sciences Program requirements.
Major: “C” grade (not C-) or higher in each course fulfilling a Major requirement and/or a minimum GPA as required by the Major department (see your Major department).
Minor/Certificate: “C” grade (not C-) or higher in each course fulfilling a Minor/Certificate requirement.
Credit/No Credit: Credit/No Credit option is limited to elective courses only. All courses used to fulfill requirements must be taken with the letter grade (A-F) option, unless the course is designated mandatory Credit/No Credit.

Applying for Graduation
1. Complete the five requirement areas for undergraduate degrees and remain in good academic standing (see “Requirements for Undergraduate Degrees from the Colleges of Arts & Sciences” in the UHM Catalog).
2. File for graduation one to two semesters in advance by
   • completing a goldenrod Graduation Worksheet with your major advisor;
   • completing the worksheet included in this Program Sheet;
   • completing a Certification of Minor/Certificate form, if pursuing a minor or certificate;
   • submitting the forms to the A&S Student Academic Services office in QLC 113 while signing up for a GRAD Session;
   • applying for graduation by attending a GRAD Session.
3. Pay the UHM diploma fee in order to receive a diploma and transcripts.

For all students interested in long-term academic planning, you may do a JUMP session (http://www.advising.hawaii.edu/artsci/pages/JUMP/express.asp) and sign up for a JUMP follow-up session with an A&S Academic Advisor.
BS 2009-2010 ARTS & SCIENCES
PROGRAM REQUIREMENTS

This program requirements sheet was created to assist you in selecting courses that incorporate UHM General Education requirements with Arts & Sciences requirements. General Education designation codes are used as a means of integrating such requirements.

I. UNIVERSITY/COLLEGE DUAL FULFILLMENT

These requirements, designed to be taken in your first year, will help you build and hone proficiency in several fundamental areas: A writing course will introduce and sharpen the processes of composition and carrying out research. A course in problem solving will develop your quantitative and reasoning abilities. Two thematic courses, whether historical or contemporary, will help you understand the richness and complexity of human cultures. NOTE: There may be other courses that satisfy UHM General Education requirements but do not satisfy A&S degree requirements.

Written Communication/FW: One course*
English (ENG) 100, 100A, 190 or English Language Institute (ELI) 100
*For more information about fulfilling this requirement, visit http://www.mwp.hawaii.edu.

Symbolic Reasoning/FS: Two courses (Calculus I & II)
Math (MATH) 215, or 241, or 251A and 216, or 242, or 252A

Global & Multicultural Perspectives/FG: To satisfy this requirement students must take a total of two courses; each course must come from a different group. (Example: History 151 is from Group A and Anthropology 152 is from Group B.)
Group A: .................................................. Anthropology (ANTH) 151; Art (ART) 175; History (HIST) 151, 161A; Women's Studies (WS) 175
Group B: .................................................. American Studies (AMST) 150; Anthropology (ANTH) 152; Art (ART) 176; Geography (GEOG) 102; History (HIST) 152, 155, 162A; Women’s Studies (WS) 176
Group C: .................................................. Botany (BOT) 105; Geography (GEOG) 103 [151]; Languages, Linguistics, & Literature (LLL) 150; Music (MUS) 107; Religion (REL) 150
*Former course number

Satisfying these requirements will provide you with a broad set of experiences from a diverse array of academic disciplines and intellectual traditions. You will cultivate techniques of critical inquiry, examine art, literature, societies, ideas and beliefs from multiple perspectives, and acquire first-hand knowledge of the natural sciences.

Arts and Humanities
Two courses, each selected from a different group: Arts/DA**, Humanities/DH**, Literature & Language/DL**.

Natural Sciences
One course in the Biological Sciences/DB**.
Series in both Chemistry and Physics with their associated labs/DP** & DY
Chemistry (CHEM): 161-161L & 162-261L or 171-171L or 181A-181L
Physics (PHYS): 151-151 & 152-152L or 170-170L & 272-272L

Social Sciences
Two Social Sciences/DS** courses, each from a different department.
**Diversification 3 cr. courses; any combination of these courses that totals 3 credits will be considered the equivalent of a one-semester course.

II. GRADUATION REQUIREMENTS

HAWAIIAN/SECOND LANGUAGE …prepares students to become informed citizens with the ability to communicate in a global community.

FOCUS …equips students with awareness and proficiency in essential areas, including written communication, contemporary ethical issues, oral communication, and Hawaiian, Asian and Pacific issues.

NATURAL SCIENCE MAJORS
Important Registration Information

Coursework required for natural sciences majors is sequential in nature. This means that certain prerequisite courses need to be completed before you can continue to the next level. This is especially true for BS degree students. It is important that you start the major courses as a freshman in order to graduate in a timely fashion.

Students must complete placement/assessment examinations or meet other requirements to register for chemistry, math, physics, and biology courses. It is highly recommended that you take the examinations in time for registration. For more information, visit our website, http://www.advising.hawaii.edu/artssci/NatSci/naturalsciences.asp.

Requirements for Registration:

• Information on registering for the Chemistry Assessment Examination: http://manoa.hawaii.edu/chem/index.php?id=29

• Information on the Math Placement Examination: http://www.math.hawaii.edu/home/Placement.html

• Students planning to register for PHYS 151 must have prior credit for MATH 140 or pass the Math Placement Examination.

• Students planning to register for BIOL 171 and lab must have prior credits for or be concurrently registered for the appropriate chemistry course.

Please be aware of repeat rules when registering for courses. As advised by STAR, ensure you always verify your requirements with an academic advisor for accuracy.
I. UNIVERSITY & COLLEGE DUAL FULFILLMENT

This program requirements sheet was created to assist you in selecting courses that incorporate UHM General Education requirements with Arts & Sciences requirements. General Education designation codes are used as a means of integrating such requirements.

*Ka'ie'ie students are dual-enrolled and are therefore not prorated.
**The 'E', 'O', and at least two 'W' courses must be upper division (300 or 400 level).

ARMS & SCIENCES MAJOR DEPARTMENTS THAT OFFER BACHELOR'S DEGREES

*American Studies (MOORE 324) .................................................. 956-8570
*Anthropology (SAUND 346) ....................................................... 956-8415
*Art and Art History (ART 142) .................................................. 956-8251
*Biology (DEAN 2) ................................................................. 956-8303
*Botany (ST JHN 101) ............................................................. 956-8369
*Chemistry (BIL 239) ............................................................. 956-7480
*Communication (CRAW 320) ..................................................... 956-8215
*East Asian Lang. & Lit. (MOORE 382) ........................................ 956-8369
*Economics (SAUND 542) ......................................................... 956-8415
*English (KUY 402) ............................................................... 956-7619
*Ethnic Studies (GEORGE 301) .................................................. 956-8086
*Indo-Pacific Lang. & Lit. (SPAL 255) ....................................... 956-8672
*Geography (SAUND 445) ......................................................... 956-8465
*History (SAUND 253) ............................................................. 956-8486
*Information & Computer Sciences (POST 317) ............................. 956-7420
*Interdisciplinary Studies (KRAUSS 116) .................................... 956-7297
*Journalism (CRAW 320) ......................................................... 956-8881
*Lang. & Lit. of Europe & the Americas (MOORE 483) .................... 956-8520
*Mathematics (KELL 401A) ....................................................... 956-4680
*Microbiology (SNY 207) ......................................................... 956-8553
*Mind (MB 3) ................................................................. 956-7756
*Philosophy (SANDAM D-301) ................................................... 956-8649
*Physics (WAT 416) .............................................................. 956-7087
*Political Science (SAUND 640) .............................................. 956-8357
*Psychology (GAR 110) .......................................................... 956-8414
*Religion (SAKAM A-309) ....................................................... 956-8299
*Sociology (SAUND 247) ......................................................... 956-7693
*Speech (GRG 326) .............................................................. 956-8202
*Theatre & Dance (KT 115) ..................................................... 956-7677
*Women's Studies (SAUND 722) ............................................... 956-6928
*Zoology (EDM 152) ............................................................. 956-8617

*Departments that also offer Minors and/or Certificates (see A&S section of the UHM General Catalog for a complete list)
