

# An Interactive Approach to Curriculum Mapping

M'Randa R. Sandlin<sup>1\*</sup>, Helen Spafford<sup>2</sup>, Yao Hill<sup>3</sup>

<sup>1</sup> Department of Tropical Plant and Soil Sciences; <sup>2</sup> Department of Plant and Environmental Protection Sciences; <sup>3</sup> University of Hawai'i at Mānoa Assessment Office

## Context

- The Tropical Plant and Soil Sciences and Plant and Environmental Protection Sciences undergraduate programs are combining
- A curriculum mapping retreat was held to encourage faculty interaction and create assessment buy-in

## Sticky Wall Information

Tacky nature allows the use of regular paper to be used for idea organization  
Large size allows multiple people to interact with each other and the content  
Approximately \$100 (size and package combination dependent)
