

5TH ASSESSMENT LEADERSHIP SUMMER INSTITUTE

Designed to build a cadre of **assessment leaders** on campus to strengthen faculty's capacity to improve student learning.

MAY 17-19, 2017

DEADLINE EXTENDED

**APPLY
BY 03/24/2017**

[HTTP://WWW.SURVEYSHARE.COM/T/INSTITUTE2017APP](http://www.surveymshare.com/t/institute2017app)

For 2-person teams, **each person needs to submit a separate application.**

TOPICS AND OUTCOMES

The essentials of learning assessment: curriculum mapping, rubric development, direct measurement tools, data analysis, discussion facilitation, and assessment as scholarship.

Through discussion and interaction, participants will enhance their skills in

- ⇒ identifying good practices
- ⇒ using assessment tools
- ⇒ planning assessment
- ⇒ facilitating program assessment activities
- ⇒ conducting research on teaching and learning

ELIGIBILITY

Open to all UHM faculty and staff in academic degree programs who plan to contribute to program/institutional learning assessment and who can contribute to curriculum discussions/decisions. A two-person team from the same department is encouraged.

Priority will be given to **assessment coordinators, teams, and faculty from programs in the process of completing their first assessment cycle.**

RECOGNITION

Successful completers will receive:

- A Certificate of Achievement
- A mini-tablet

FEATURES

- Receive one-on-one assistance from learning outcome assessment experts on campus
- Build support networks with colleagues and learn from each other's successes and challenges
- Create a feasible, sustainable assessment plan and learn firsthand how to foster student learning through assessment
