

# Workshop for Faculty

## **RUBRICS:**

### **Save Grading Time & Engage Students in Learning**

May 14, 2009, 3pm-5pm

Campus Center Executive Dining Room **[NOTE: ROOM CHANGE]**

Register by emailing [airo@hawaii.edu](mailto:airo@hawaii.edu) (Assessment Office) or calling 956-4283.

**Dr. Dannelle Stevens**, professor of Curriculum and Instruction at Portland State University, will facilitate an interactive workshop on rubrics. Rubrics can shorten grading time while conveying meaningful and timely feedback to students. They can be used to grade any assignment or task: research papers, book reviews, participation in discussion, oral presentations, and more. In this workshop, participants will learn how to construct and use rubrics to save time and engage students in learning.

#### **BRING ALONG A DESCRIPTION OF AN ASSIGNMENT FOR WHICH YOU'D LIKE TO CREATE A RUBRIC!**

Dr. Stevens received her doctorate from Michigan State University in Educational Psychology. Her interest in rubrics and assessment comes from her desire to help faculty save time in grading and engage students in learning. She co-authored *Introduction To Rubrics: An Assessment Tool To Save Grading Time, Convey Effective Feedback and Promote Student Learning* with Antonia Levi. Most recently she co-authored *Journal Keeping: How to Use Reflective Writing for Learning, Teaching, Professional Insight and Positive Change* with Joanne Cooper, UHM College of Education professor.

**Sponsored by the UHM Assessment Office**
