OPIOID TREATMENT IN PRIMARY CARE: MEDICATIONS FOR OPIOID USE DISORDER

Intended Audience: Social Workers and other allied health and human service professionals

**Presented by Alysa Lavoie, MSW
West Hawaii Community Health Center**

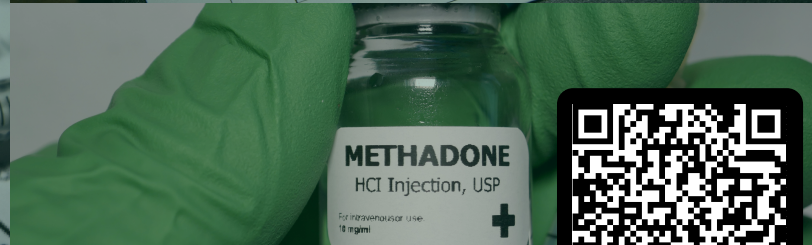

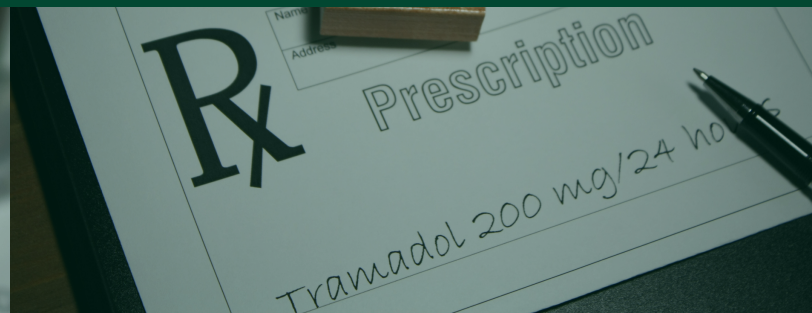

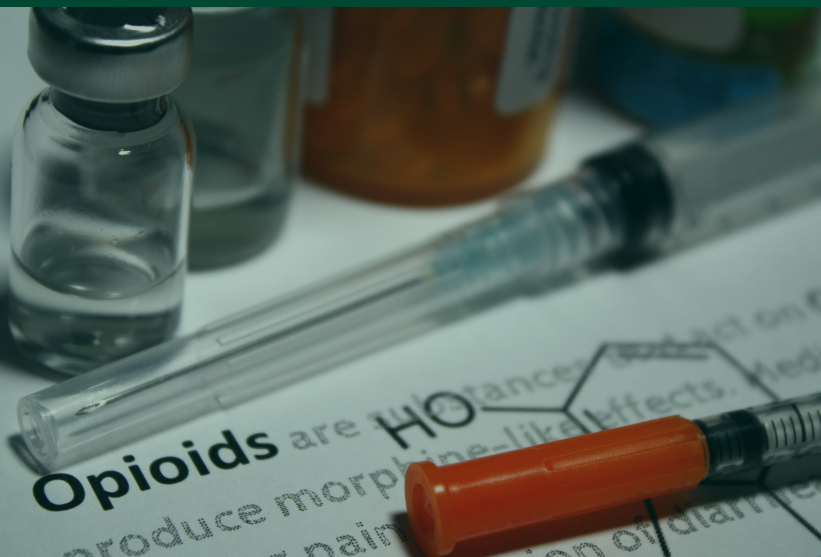

Objectives:

- Understand the biology of OUD
- Review diagnostic criteria of OUD
- Identify the various treatment modalities for OUD
- Understand the medications for OUD (MOUD)
- Learn about some of the challenges and successes of implementing OUD treatment in primary care

The University of Hawaii at Manoa, Myron B. Thompson School of Social Work (NASWHI-CEP-002) has been designated an approved provider of social work continuing education contact hours by the National Association of Social Workers Hawai'i Chapter. The University of Hawaii at Manoa, Myron B. Thompson School of Social Work maintains responsibility for the program.

This program is approved by the National Association of Social Workers - Hawai'i Chapter (Approval HI62792021-728) for up to 1 Social Work continuing education contact hour(s).
