Communicating for Change Workshop

Intended Audience:

Social Workers and other allied health and human service professionals.

PLEASE NOTE: This is an interactive workshop.

Participants will be put into small groups to discuss and practice the presentation material.

Objectives:

- Differentiate between change talk and “normal” day-to-day conversations
- Demonstrate fundamental communication skills central to helping others
- Identify and reduce pathologizing language
- Recognize and avoid the urge to “fix” others

Speaker

**Michael DeMattos,
MSW, Ph.D.**

Assistant Specialist, BSW Program
Chair, Thompson School of Social
Work & Public Health, the University
of Hawai'i at Mānoa
