

Name: VIRGINIA S. HINSHAW
Place of Birth: Oak Ridge, Tennessee
Citizenship: U.S.A.
Office Address: Office of the Chancellor
University of Hawai'i at Mānoa
2500 Campus Road, Hawai'i Hall 202
Honolulu, HI 96822
<http://www.manoa.hawaii.edu/mco/>
808/956-7651; Fax 808/956-4153
(vhinshaw@hawaii.edu)

Academic Degrees

B.S. 1966 Auburn University, Auburn, Alabama (Laboratory Technology)
M.S. 1967 Auburn University, Auburn, Alabama (Microbiology)
Ph.D. 1973 Auburn University, Auburn, Alabama (Microbiology)

Professional Appointments

1967–68 Clinical and Research Microbiologist, Department of Microbiology, Medical College of Virginia, Richmond, Virginia
1974–75 Research Virologist, Office of Environmental Research, University of California, Berkeley, California
1975–77 Research Associate, Division of Virology, St. Jude Children's Research Hospital, Memphis, Tennessee
1977–81 Assistant Member, Division of Virology, St. Jude Children's Research Hospital, Memphis, Tennessee
1981–85 Associate Member, Department of Virology and Molecular Biology, St. Jude Children's Research Hospital, and Assistant Professor, Department of Microbiology and Immunology, The University of Tennessee Center for the Health Sciences, Memphis, Tennessee
1983–84 Sabbatical Leave, Department of Microbiology and Molecular Genetics, Harvard Medical School, Boston, Massachusetts
1985–88 Associate Professor, Department of Pathobiological Sciences, School of Veterinary Medicine, University of Wisconsin-Madison, Madison, Wisconsin
1988–2001 Professor, Department of Pathobiological Sciences, School of Veterinary Medicine, University of Wisconsin-Madison, Madison, Wisconsin
1992–93 Interim Associate Dean of Research/Graduate Studies, School of Veterinary Medicine, University of Wisconsin-Madison, Madison, Wisconsin (Feb. 1992–July 1993)
1994–95 Associate Vice-Chancellor, University of Wisconsin-Madison, Madison, Wisconsin
1995–2001 Vice Chancellor for Research and Dean of the Graduate School, University of Wisconsin-Madison, Madison, Wisconsin
2001–present Dean Emerita and Professor Emerita, University of Wisconsin-Madison, Madison, Wisconsin
2001–2007 Provost and Executive Vice Chancellor, University of California-Davis, Davis, California
2007–present Provost and Executive Vice Chancellor Emerita, University of California-Davis, Davis, California
2002–2007 Professor, Department of Internal Medicine, School of Medicine, University of California-Davis, Davis, California
2007–present Professor Emerita, Department of Internal Medicine, School of Medicine, University of California-Davis, Davis, California

2002–2007 Professor, Department of Pathology, Microbiology, and Immunology, School of Veterinary Medicine, University of California-Davis, Davis, California
2007–present **Chancellor**, University of Hawai'i at Mānoa
2007–present **Professor**, John A. Burns School of Medicine

Research Interests

Pathogenesis, immune recognition and ecology of influenza viruses.

Societies

American Association for the Advancement of Science
American Society for Microbiology
American Society for Virology
Association for Women in Science
Sigma Xi
Sigma Delta Epsilon

Honors and Honorary Societies

Phi Beta Kappa
Phi Kappa Phi
Phi Zeta
Gamma Sigma Delta
Sigma Xi – WI Chapter; Board of Electors; Sec.-Tres. 1993–94; President-Elect 1994–95; President 1995–96
P. P. Levine Award – 1991 (Amer. Assoc. of Avian Pathologists)
Veterinary Student Teaching Awards – 1990, 1993
Walter F. Renk Distinguished Professor Award – 1992
Council Member for Zoonotic/Veterinary Virology, Amer. Soc. of Virology (1992–95)
CIC Academic Leadership Program (1992–93)
Distinguished Woman Graduate – Auburn University – 1992
Fellow, Japan Society for Promotion of Science – 1995
Woman of Distinction, Civics Club, Madison, WI – 1997
Outstanding Educator Award from the California National Organization for Women – 2005
Outstanding Volunteer Award, Davis Sacramento Regional, FIRST (For Inspiration and Recognition of Science and Technology) – 2006
Honorary Doctorate, University of the Ryukyus – 2010

Invited Guest Lectures at Universities, Research Institutes and Societies

Agracetus, Madison, WI
American Association for Swine Practitioners
Ames Veterinary Research Laboratory, Ames, IA
American Society for Microbiology
American Veterinary Medical Association
American Society for Virology
Audubon Society
Auburn University, Auburn, AL
Cornell Duck Research Laboratory, Long Island, NY
Cornell University, Ithaca, NY
Czechoslovakia Influenza Center, Prague, Czechoslovakia
Graduate Women in Science
Harvard Medical School, Boston, MA
Hokkaido University, Sapporo, Japan

Iowa State University, Ames, IA
Ivanowski Institute, Moscow, USSR
Institute of Virology, Peking, China
Institute of Virology, Justus-Liebig University, Giessen, Germany
Institute of Virology, Phillips-Universität, Marburg, Germany
John Radcliffe Hospital, Oxford, England
Korea University, Seoul, Korea
Medical College of Georgia, Augusta, GA
Michigan State - U.S.D.A. Regional Poultry Laboratory, East Lansing, MI
National Institutes for Medical Research, London, England
NOBL Laboratories, Sioux City, IA
North Carolina State University, Raleigh, NC
Pasteur Institute, Paris, France
Pennsylvania State University, University Park, PA
Rhodes College, Memphis, TN
Rush-Presbyterian University, Chicago, IL
Sigma Xi
St. Jude Children's Research Hospital, Memphis, TN
St. Louis University, St. Louis, MO
Tri Beta Honor Society
University of Hokkaido
University of Kentucky, Lexington, KY
University of Massachusetts Medical School, Worcester, MA
University of Minnesota, St. Paul, MN
University of North Carolina, Chapel Hill, NC
University of Tennessee, Memphis, TN
University of Tokyo, Tokyo, Japan
University of Wisconsin-Madison, Madison, WI
University of Wisconsin- Milwaukee, Milwaukee, WI
University of Wisconsin-Whitewater, Whitewater, WI
Veterinary Medical Association
Wildlife Disease Association
Women in Science and Engineering
World Health Organization
Worcester Foundation for Research, Worcester, MA

Teaching Activities

1981–1985

Lectures on virology and immunology and specific virus systems (e.g., influenza, reoviruses, bunyaviruses, arenaviruses) to graduate, dental, medical, and nursing students at the University of Tennessee.

Responsible for honor students from Rhodes College and Christian Brothers College.

1975–1985

Responsible for teaching laboratory techniques, concepts and procedures to visiting investigators and research technologists from the U.S., as well as many other countries (China, Russia, Israel, Canada, Mexico, Venezuela, Hong Kong, Japan, Saudi Arabia, Australia, New Zealand).

1985–1996

Responsible for Veterinary Virology for all veterinary students (80 students/class). (Honorable Mention for Norden Teaching Award – 1990 and 1993)

Participation in graduate student teaching and training in the areas of viral pathogenesis and immunology, including such graduate courses as Viral Pathogenesis (Vet. Sci.), Medical Virology (Med. Micro.), Genetics of Microbial Pathogenesis (Med. Micro.). Participation in undergraduate teaching (Ways of Knowing) and laboratory training for undergraduates. Also, a speaker for Summer Orientation and Registration (SOAR), Faculty Showcase, Founders' Day and Parents' Day for UW-Madison. In addition, a speaker for numerous training programs for faculty, such as New Faculty Orientation, Women's Mentoring Program, Women in Science, Graduate Women in Science, Orientation for Leaders, Strategies for Tenure, and others.

1996–2007

Freshman seminars, lectures in infectious disease and public health courses, extensive public speaking engagements

2007–present

Lectures in infectious disease and leadership; extensive public speaking engagements.

Other Activities

Member, Board of Directors, Blue Planet Foundation, 2010–present

Member, ACE Commission for Effective Leadership (2009–present)

Co-Chair, Energy Advisory Committee, APLU (2009–present)

Member, Infectious Diseases Laboratory Scientific Advisory Board, UCLA (2008–present)

Vice Chair, Committee to Assess Research Doctorate Programs, National Academy of Sciences (2005–present)

Member, UC Regents' Task Force on University Budget Options (2006–2007)

Reviewer, Special Emphasis Panel on Influenza, Centers for Disease Control and Prevention (2006)

Member, Internationalization Forum, American Council of Education (2005–2007)

American Leadership Forum (2005–2007)

International House Council of Advisors (2005–2007)

Member, Y-Me Breast Cancer Board of Davis (2004–2007)

Executive Committee, Council for Academic Affairs, NASULGC (2002–2005)

Member, Chief Academic Officers NASULGC (2002–2006)

Member, Chief Academic Officers, Association of American Universities (2002–2007)

Chair, Board for Cooperative Institute for Meteorological Satellite Studies (CIMSS) (1995–2001)

Chair, CIC Senior Research Officers (1999–2001)

Chair, Technology Transfer Council, UW-Madison (1999–2000)

President, Association of Graduate Schools (1999–2000)

Member, Association of Graduate Schools Executive Committee (1998–2001)

Member, CIC Graduate Deans (1995–2001)

Member, CIC Senior Research Officers; Chair (1999–2001)

Member, NCA Accreditation Team, Boulder, CO (2000)

Member, Review team, University of North Carolina, Chapel Hill (2000)

Member, WiCell Board, Madison, WI (2000–2002)

Member, Technical Advisory Board, Mason-Wells, Milwaukee, WI (2000–2001)

Member, Wisconsin Innovation Network (WIN), Madison, WI (2000–2001)

Member, Bascom Hill Society, UW-Madison (1995–present)

Member, International Women's Forum (1995–present)

Member, Susan Komen "Race for the Cure" Board, Madison, WI (1995–2001)

Member, Town and Gown, Madison, WI (1995–2001)
Member (Advisory), University Research Park Board, Madison, WI (1995–2001)
Member, Steering Committee, Wisconsin Alumni Association Cabinet 99 (1995–2001)
Member, Administrative Council for the Biological Sciences; Chair (1997–1999)
Member, Chancellor's Advisory Council, UW-Madison (1995–2001)
Member, Deans' Council, UW-Madison (1995–2001)
Member, Leadership Council, UW-Madison (1995–2001)
Member, Campus Vision Group, UW-Madison (1995)
Member, Women's Faculty Mentoring Board (1995–97), UW-Madison
Mentor for Junior Faculty, Academic Staff and Minority Students (1990–present)

Prior to 1995

Advisor, Vaccines for Avian Species and USDA Avian Respiratory Disease Committee
Affiliate Appointments with UW-Madison Departments of Medical Microbiology, Veterinary
Science, Molecular Biology, Institute on Aging
Editorial Board, *J. Virology* (1991–1993; 1994–1996)
Invited Reviewer for USDA, NIH, Fogarty, Canadian Research Council, Israel Scientific Agency,
USSR Collaborative Projects
Invited Reviewer for *Science*, *J. Virology*, *J. Avian Diseases*, *J. Immunology*, *Canadian Journal of
Microbiology*, *Marine Mammal Science*, *Avian Diseases*, *J. Veterinary Diagnostic
Investigations*, *Archives of Virology*, *J. Clinical Investigations*, *Viral Immunology*, *Vaccine*, *J.
Avian Pathology*, *J. Nutrition*, *J. Wildlife Diseases*, *J. Am. Vet Med Assoc.*
Invited Site Visitor for NIH
Member, NIH Biomedical Sciences Study Section (1987–1991)
Member, NIH Reviewers Reserve (1991–1995)
Member, USDA Special Grants Study Section (1990)
Member, USDA Molecular and Cellular Basis of Disease Study Section (1991)
Organizing Committee – First, Second and Third International Symposia on Avian Influenza
Session Chairperson for local, national and international meetings
USA-USSR Scientific Exchange Program
World Health Organization Group in Ecology of Influenza Viruses
