**AFTER registering and BEFORE the first class meeting**, complete the following:

2. Write an essay and take the full-length paper Pretest. 
   Allow 3.0 to 3.5 hours to:
   • Write your own essay (30 minutes) in response to Essay 1 on page 1018.
   • Complete the multiple-choice Quantitative Section (75 minutes) and Verbal Section (75 minutes) on pages 25-60 of the book. Use the Answer Sheet on page 23. Afterward, score your answers using the Answer Key on page 63.

   The Pretest does not include Integrated Reasoning, an additional 30-minute section that follows the Analytical Writing Assessment on the computer-based GMAT. This section will be discussed after the first class.

   • Bring a copy of your scored Answer Sheet as well as your Essay — your name printed clearly on each — to turn in at the first class.

   The more you work through problems before taking the actual exam, the better you are likely to do.
