MATH BUNDLE

A successful formula! Algebra refresher + MATH 140 = completion of your precalculus requirement in one semester!

Prerequisite: 2 years of high school algebra, one year of plane geometry

**PART 1:** Noncredit Skill Development Course

**Algebra Refresher (P12817)**

An intensive review to prepare for the Placement Exam and MATH 140 course. The refresher includes mathematics operations on numbers and on algebraic expressions; products, factoring, algebraic fractions, exponents, and radicals; linear and quadratic equations; inequalities, polynomials, and their roots; and functions.

**September 18 – October 7 • Wed/Mon • 5:45-7:45pm • 6 mtgs • UHM Webster 102 • $75, plus purchase of required online courseware • Provide email address with registration, you will receive courseware information via Laulima after you register • Bring your laptop to class**

Instructor: **Vicky Chiu Irion**, MA in Economics, BA in Mathematics and Economics, is a faculty member at Honolulu Community College who has taught college-level mathematics for more than 30 years.

To register and pay for the refresher, go to outreach.hawaii.edu/TESTPREP and click on “Algebra Refresher.”

**PART 2:** UH Mānoa Credit Course

**MATH 140 (Precalculus)**

*Department of Mathematics Placement Exam will be held on October 9, 2013, 5:45pm, UHM Physical Sciences Bldg 208. Students must pass the Placement Exam to enroll in MATH 140.*

Course includes functions (with special attention to polynomial, rational, exponential, logarithmic, and trigonometric functions), plane trigonometry, polar coordinates, and conic sections.

**October 14 – December 18 • Mon/Wed • 6:00-8:00pm • 20 mtgs • UHM Webster 102 • $1,143 • To register for the evening section of Math 140 that follows the refresher, go to MyUH and access UH Mānoa’s Fall 2013 Extension: MATH 140, Section 111, CRN 1351.**

The University of Hawai‘i is an Equal Opportunity/Affirmative Action Institution.
