Message from the University of Hawai'i Office of Alumni Relations

UNIVERSITY
of HAWAII®
ALUMNI

To the newest members of the UH Alumni 'Ohana,

You did it! Congratulations, Class of 2020, on your graduation from the University of Hawai'i. Though this story may not have ended the way you thought it would, we want to be among the first to say: nothing negates the hard work and brilliant successes of your time at UH. You all have taken unique journeys to get here, each as inspiring as the next. Your University of Hawai'i chapter is written into your memory, the memories of your closest friends, and the collective memory of our great alma mater. Today, we celebrate.

In the coming years, some part of this university will remain with you. It will touch you in unexpected moments and in unanticipated ways. Just as this place will endure within you, you leave behind a part of yourself that will forever make UH different, better. As you say aloha to UH Mānoa, we encourage you to greet the great future before you as a new member of the UH Alumni 'Ohana.

Our Alumni 'Ohana may be bigger than you even imagined. Over 190,000 graduates in over 60 countries, all with one common green and white thread. We are nurses, doctors, performers, teachers, parents, writers, scientists, athletes. We are collectively astonishing and all-together empowered to change the world.

So as you get to know your life after graduation, we ask you to do us, the Alumni Relations team, one favor: Stick with us. Send us updates about you and your college friends. Attend an alumni event. Cheer on the 'bows at a game. Ask us how we can help you in this new chapter, and the next one, and the next one. As you move forward, we'll be here, at the ready to support you and remind you that UH was once, and will always be, home.

Aloha, and a hui hou kākou,
