

Waihee Beach Clean Up

The Waiehu Beach Cleanup took place on April 24, 2022 with 27 4-Hers, 6 leaders and a few parents\siblings. It was so nice to finally have an in-person event!

Supplies (garbage bags, gloves, pickers) were provided by Malama Maui Nui. Snack and water provided by 4-H with funds to be reimbursed to Lucky Clovers, who organized the event as a community service project.
