

## WHAT... IS 4-H?

A nation wide program that helps youth to develop life and leadership skills that encourage them to become successful, self-directed, contributors to the community.

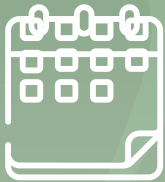

## WHY... DO 4-H?

If you are someone who struggles with public speaking, organizational skills, social skills, time management, understanding real-world situations, etc., 4-H can help. It is also a great extracurricular if you want more community involvement or want to meet new people.

## WHERE... IS 4-H ON MAUI?

4-H is part of UH Manoa but is located on the Maui College campus, where a lot of activities take place. However, depending on which club you join you may meet in different locations.

## WHEN... DOES 4-H MEET?

Most clubs meet once a month for an activity pertaining to your club's yearly theme. There are also county events with all Maui clubs throughout the year.

## HOW... TO SIGN UP?
