

Table 1.2. Testing for presence of water with cobalt chloride paper

Liquid: Water	Liquid:	Liquid:
This is your control.	Prediction:	Prediction:
Tape cobalt chloride paper here:	Tape cobalt chloride paper here:	Tape cobalt chloride paper here:
Observed color:	Observed color:	Observed color:
Does liquid contain water? YES	Does liquid contain water?	Does liquid contain water?
What is the evidence for your answer? Water is your control, this color indicates the presence of water.	What is the evidence for your answer?	What is the evidence for your answer?
Liquid:	Liquid:	Liquid:
Prediction:	Prediction:	Prediction:
Tape cobalt chloride paper here:	Tape cobalt chloride paper here:	Tape cobalt chloride paper here:
Observed color:	Observed color:	Observed color:
Does liquid contain water?	Does liquid contain water?	Does liquid contain water?
What is the evidence for your answer?	What is the evidence for your answer?	What is the evidence for your answer?
