NOTES ON THIS BIBLIOGRAPHY

The 2010 edition of the Hawaiian Legends Index indexes the following books. Many of these titles have been published multiple times by multiple publishers. Users of this index seeking copies of these books can thus expect to find copies whose bibliographic descriptions vary from what is listed here. This bibliography attempts to identify the copy of each book that a user can easily obtain, and notes where the user can expect to find variants (i.e. differences in publisher, title, date and pagination). Any questions about this bibliography can be directed to Dore Minatodani at the Hawaiian Collection at the University of Hawai‘i at Mānoa Library (dorem@hawaii.edu). This bibliography was compiled in the spring of 2012.
