M.A. Preliminary Conference Report

The M.A. Committee of _____ (name of student) at the Preliminary Conference on _____ (date) has orally examined the student and consulted with the student about her/his program. On the basis of the Conference and the work of the student thus far, the Committee finds and recommends that (check one):

_____ the work to date is satisfactory, and the student is qualified to proceed toward the degree.

_____ the work to date is not completely satisfactory, and the student is warned that if these difficulties are not resolved and the student may fail to complete the degree.

_____ the work to date is unsatisfactory, and the student is advised not to continue to pursue a master's degree in this department.

Reasons for the recommendation. Use additional page if necessary.
