Academic Year 2016-2017 Residential Dining & Meal Plans

Campus Dining is provided by Sodexo, a nationally known college food service management organization. Participation in the dining program is mandatory for residence hall students and optional for apartment residents. Dietary restrictions are not grounds for exemption from a dining plan. Alternate housing should be sought due to special diets. Any resident who fails to comply with the dining program requirements will be subject to termination of his/her Student Housing Services contract. Meal plan payments must be submitted to the Student Housing Services office by mail, or in person, by the deadline stated on resident invoices. A $25.00 late fee will be assessed for payments received after the deadline.
