Conference Housing Frequently Asked Questions

Q: Can individuals stay in Conference Housing?
A: Conference Housing is open to both groups and individuals. Individuals should put their name in the "Name of Group" section on the application and ignore questions geared towards groups.

Q: I would like to stay in conference housing. When should I reserve a room?
A: It is best to start the reservation process sooner rather than later as we receive requests for conference housing regularly. Sometimes our facilities are completely booked. It is best to send us a completed application as soon as possible so we can make a contract to reserve the dates you requested. The contract holds the room(s) you requested and explains all of the payment due dates. If these due days are not met, your reservation will be cancelled.

Q: I am attending a conference/taking a class/other campus program. When should I arrive? What building is the meeting at?
A: For all details regarding a group that you are affiliated with you should contact the organizing group or department. The Conference Housing Office can answer any questions you may have regarding conference housing.

Q: I do not want a meal plan. Do I have to have one?
A: Yes, meal plans are required for every individual staying in conference housing facilities.

Q: May I smoke in my room or in another area of the building?
A: No. Smoking is not permitted in rooms or any other area of the building. UH Manoa is a smoke free campus.

A: Check in is after 2:00 p.m. Check out is before 12 noon. If you or your group would like to check in or check out at a different time please contact the Conference Housing Office to arrange an alternate time. Early arrivals and late departures will result in a fee of $25.00 per group. Please contact the Conference Housing Office if you would like to arrange early arrival or late departure.

Q: When do I get my Security Deposit refund?

Fines are charged in circumstances such as: missing or stained linen, missing or damaged keys, damage to rooms or other building facilities.
