Name of University University of Hawai'i at Mānoa
Website <http://manoa.hawaii.edu>
Chancellor Dr. Virginia S. Hinshaw
Chancellor Biography BA Laboratory Technology 1966, Auburn University
MS Microbiology 1967, Auburn University
PhD Microbiology 1973, Auburn University

Hinshaw is a renowned scientist with expertise in microbiology whose work over the past 25 years has contributed to the understanding of the influenza virus and new approaches to vaccines. Prior to joining UH Mānoa in 2007, Hinshaw served as the provost and executive vice chancellor at the University of California, Davis. She is also a former dean of the graduate school and vice chancellor for research at the University of Wisconsin-Madison.
