Purpose of JSE Award
Faculty and Instructors receive an annual allowance for professional development. Expenses may be used toward Japan-related studies and research. Detailed documentation needs to be provided to UH Foundation in accordance with accounting procedures within the UHM system. Reports are also sent to the Japan Foundation.

Instructions for obtaining reimbursement of award expenditures:

REIMBURSEMENT REQUESTS SHOULD BE SUBMITTED WITHIN (90) DAYS OF THE TRANSACTION. Requests submitted more than three months after the transaction date may not be reimbursed. (You may have to submit multiple reimbursement requests during the year.) Please adhere to this policy per UH Foundation.

Please submit e-copy of your (UHF) Check Request Form and other attachments to cjs.admin@hawaii.edu. Incomplete documentation will delay reimbursement. Owing to the pandemic, we are accepting scanned/e-copies until further notice.

Please make note of the special additional requirements for expenses relating to travel expenses, purchases made while traveling, interpretation services, and the hiring of student assistants. These are detailed on pages 2-5.

1. PREPARE RECEIPTS / INVOICES
   a. Tape your receipts onto an 8.5” x 11” paper, ensuring that a copy can be made without having to unfold or remove any taped receipts.
      i. Your receipt must be itemized, with the item name appearing next to the purchase price. If it is not possible to obtain an itemized receipt from a vendor, list each item and its unit cost on the sheet of paper with the taped receipt.
      ii. For foreign receipts
         1. If the receipt is not in English, provide a written translation of the name of the vendor, the date of the transaction, each item listed, and prices. If possible, do this on the sheet of paper with the corresponding taped receipt.
         2. If the item price is listed in a foreign currency, find the conversion rate into U.S. dollars for the date indicated on your receipt at http://www.oanda.com/currency/converter. Print out the corresponding web page and attach it to the sheet with the corresponding taped receipt.
3. If you purchased foreign currency at a bank or money changer at the start of your trip, a receipt from them listing the rate of exchange for that day may be used instead for any *cash* purchases made during your trip. 

   iii. Printouts of INTERNET RECEIPTS (includes e-ticket purchases) are acceptable, provided that they include:
      1. the *payee’s name*
      2. a *description* of item(s) purchased, *and*
      3. *proof of payment*. Attach a copy of bank, PayPal or credit card statement listing the transaction with all digits except the last four of your account number blacked out. If receipt indicates proof of payment, that is acceptable.

   iv. For purchases made by CHECK, attach a copy of the cancelled check or bank statement.

2. **PREPARE EXPENSE SUMMARY PAGE**
   Number your receipts to match the numbers on your list.
   *PLEASE WRITE A DETAILED BUSINESS REASON FOR EACH ITEM PURCHASED (ie. research, office use, etc.)*

3. **COMPLETE CHECK REQUEST FORM**
   a. See attached Check Request Form. Complete the top portion of the form and list CJS as the point of contact.
   b. Please be sure to sign on the “Payee” line.
   c. If you prefer payment via *paper check*, provide the address where you would like to receive your reimbursement check.
   d. If you prefer *direct deposit via ACH*, see attached Authorization Agreement for Direct Deposits Via ACH Form and complete the form. Please submit the form along with the Check Request form and supporting attachments to [cjs.admin@hawaii.edu](mailto:cjs.admin@hawaii.edu). Once the ACH account is set up with UH Foundation, all future payments will be processed via direct deposit.
      i. Vendor, contact name, and email address section is for the individual the ACH is being set up for. The individual will be the one receiving the reimbursement check.

Additional Instructions for Certain Specific Types of Reimbursements

TRAVEL-RELATED REIMBURSEMENTS
For any travel related reimbursement (airfare, lodging, M&IE, ground transportation, conference fees, admission fees, research materials, or any purchases made while on travel status).

a. The eTravel request or RCUH Travel request should include the UHF JSE account number of xxx-xxxx-x as a source of funding. The expenses should be itemized. Please consult with your admin staff/fiscal officer for your departmental policies.

b. For travel advances, submit a copy of the fully executed travel request including supporting documentation*, along with a UHF Check Request form at least (3) weeks prior to departure. Advances cannot be guaranteed if submitted later.

c. For travel reimbursement, submit a copy of the fully executed travel completion including supporting documentation, along with a UHF Check Request form. Original receipts are required for items reimbursed with UHF funds.

Your home department should prepare all travel requests and completions. CJS will not initiate travel documents.

*Supporting documentation may include:

- Airfare
- Alternate itinerary if personal time and/or additional stop is taken
- Additional lodging quote if nightly lodging exceeds FAR Rate
- Letter of invitation
- Conference Flyer
- Research plan/working itinerary

- UH Foundation requires that copies of both the travel request and travel completion be submitted for “off-duty” periods (ie. summer break, etc.)
- Airfare will be reimbursed for “economy” class only. Any upgrades (ie. business-class, comfort seating, etc.) will be traveler’s expense
PURCHASES MADE WHILE TRAVELING

Purchases made overseas are reimbursable only if you are considered to be engaged in university-approved travel - ie., you must have finalized E-travel paperwork for the period in which you make the purchase in order to get reimbursed. The way to handle this is as follows:

a. Make sure you file E-Travel or travel request paperwork whenever you think you might be making such a purchase. This applies to both travel on official UH business as well as off-duty or personal leave travel.

b. Follow the applicable procedures outlined above. Make sure you include a line in your E-Travel or travel request for “research-related expenses” with an amount sufficient to cover your anticipated purchase up to $300 (Japanese language instructors) or $1,000 (CJS full members). Upon your return, you will be reimbursed for only those purchases for which you can produce valid original receipts. The balance of your annual travel award can be used for other purchases.

TRANSLATION / INTERPRETATION SERVICES/PROOF READING

UH Foundation has informed CJS that they will not remit payment to UH students for translating/proof reading services. Students generally do not meet the definition of independent contractors. However, if the student is employed by a campus department, UH Foundation can remit payment to the department. Such student hires may be subject to payroll taxes. The sole exception would be for students who own and operate independent business entities, where the payment would be made directly to the business.

UH Foundation is unable to authorize a “third party payment” due to tax purposes. In other words, do not pay the person directly. If you require proofreading services, please submit a check request for a UH Foundation check to be made out to the proofreader and attach the “Services Rendered” form. The proofreader will receive payment directly from the UH Foundation.
PERSONAL ITEMS will not be reimbursed by UH Foundation.

For purchases of computers, iPads, etc. please state on the Check Request form that the item is for business (not personal) use and is the property of UH Manoa. Please state the specific purpose for each item purchased (ie. for teaching/research, etc.)

STUDENT ASSISTANTS

Plan well in advance if you want to use your award for this purpose. Students must be paid through the student’s payroll account and may not be hired as independent contractors. If you would like to hire a student assistant with your award, please see your Department Chair and your Department Fiscal Officer to get approval and advice on how to set up a UH account with your Department and arrange to have the funds transferred from the UH Foundation to your Department’s UH account. Please keep in mind that setting up student accounts may take several weeks to process, and that the first (and/or final) payment will take even more time.
