What type of emergency are you dealing with?

Type I – Routine (Minor Leaks, AC outage, Minor power issues, etc.)
- Continue working unless instructed otherwise
- Alert WCC of situation
- Alert Building Coordinator of situation
- Alert direct supervisor or “up the chain” if needed

Type II – Multiple or Expanded (Fire, Explosion, Major Hazmat Spill, Biological or Terrorist Threat etc.); Localized
- Evacuate and report to checkpoint/designated area or Shelter in place
- Do not go home or visit other worksites

Type III – Disaster (Severe Weather, Active Shooter, Uncontrolled Fire, Major Hazmat Spill); Widespread
- Evacuate and report to checkpoint/designated area or Shelter in place
- Do not go home or visit other worksites
- Report to work unless instructed otherwise

1. Call 911 – Tell Dispatcher your needs (HPD, HFD or Ambulance)
2. Call 956-6911 – Alert DPS of the situation
3. Make every effort to alert direct supervisor or “up the chain”; tell them STATUS and obtain instructions
