LIBRARY SCORES IN THE TOP 20 ON SOCIAL MEDIA LIST

The University of Hawai'i at Mānoa Library has been actively and aggressively developing its social media channels to inform and generate interest and support from the student body, faculty and local community for the past two years.

The Library's efforts have paid off. Library-ScienceList.com, a social community for librarians, searched social media platforms to find 442 Libraries using accounts to promote services, activities, and social interaction with patrons. Using data from social media, they came up with a list 100 Most Social Media Friendly College & University Libraries for 2013. The UH Mānoa Library is ranked number 20 on the list. Please visit the UH Mānoa Library on social media at Hamilton & Sinclair!
