New Ambitions & Opportunities in 2013

HAKIPU’U LEARNING CENTER

From intimate class sizes to a university campus of over twenty-thousand people, the students of Hakipu’u Learning Center got a dose of college reality. The high schoolers were paired with a UHM student based on their shared interests and educational goals. The students were able to attend the classes of their college mentors. These subjects ranged from marine corals, ethnic studies and Hawaiian language. The aloha was reciprocated between both haumāna as they each shared their passion for learning.

CAREER EXPLORATIONS

On February 15th, we will be hosting Ánuenue, Hālau Kū Mana, Wai’anae and Nānākuli high school students for a Career Explorations Event. We are collaborating with Nā Pua No’eau and Kamehameha Schools Kīlohōkū program to create an opportunity for students to explore career pathways and internship possibilities.

ALOHA ‘ĀINA: KUPU OLA

On Saturday, March 9th, we will be hosting an aloha ‘āina workday in collaboration with INPEACE Kupu Ola. Kupu Ola is a program that collaborates with schools to create outdoor classrooms - where students can learn to mālama ‘āina. This work day will be held at Nānākuli Elementary, and will feature a Hawaiian Knowledge learning session. You can earn community service hours while learning the history and cultural significance of Nānākuli. There will be lunch and limited transportation for UHM students interested in volunteering. Volunteer sign ups will be in QLC 104.

Financial Aid 411

The FAFSA is now open. Scholarship deadlines are soon approaching. Start prepping components such as your personal statement, transcripts and resume.

DROP IN HOURS

NHSS Coordinators are available for academic, transfer, scholarship and wellness counseling. Hours will vary per week. Drop in any time to schedule an appointment or email jsing@hawaii.edu.
