Actions in Response to Budget Cuts

The following actions have occurred, or continued to occur, in the past year in response to budget reductions.

Personnel Losses
- 6 Full time G-funded positions are unfilled
- 1 full-time Outreach funded Practicum Director remains unfilled
- 1 full time G-funded APT position remains unfilled
- 1 full time Associate Dean position remains unfilled

Efficiency Efforts
- New office equipment needed, but not replaced (copier, printers)
- Increased development efforts to provide needed tools in shop
- Increased development efforts to provide painting and refurbishing of two classrooms
- Increased class sizes
- Revised course schedule to eliminate redundancy of course offerings where possible
- Enforced minimum enrollment guidelines
- Used

Program Changes
- Visiting Lecture Program reduced by 75%.
- Developing dual degree track with Tongji University in Shanghai, China to supplement G funds.
- Developing 4-yr pre-professional plus 3-yr professional program to replace single 7-yr program
  1. Attract more students
  2. Reduce the number of required professional courses
  3. Increase graduation rate
  4. Decrease time to graduation
