Subject: Bicycle Friendly University announcement

Hi Ann,

The League of American Bicyclists in cooperation with our panel of judges and in consideration of local reviews recognizes **University of Hawaii at Manoa** with an **Honorable Mention** in this inaugural round of the Bicycle Friendly University (BFU) program. We would like to recognize and congratulate your university for the efforts that you are beginning to make to improve bicycling for students, faculty and staff! We are working diligently to compile feedback from your application so that you may continue to improve your workplace and community for bicyclists. You will receive this feedback in 6 weeks. We encourage you to use the feedback to make your campus more bicycle-friendly and reapply at a later date.

The League of American Bicyclists will be making the Spring 2011 BFU official announcement at the [National Bike Summit](#) hosted in Washington, D.C. on March 9. You will also receive the national press release along with a complete list of the awardees and Honorable Mentions for Spring 2011 at this time.

For more information on the BFU program go to:

<http://www.bikeleague.org/programs/bicyclefriendlyamerica/bicyclefriendlyuniversity>

Thank you for participating in the program and we look forward to our continued work.

Best,

Carly
