Instructions for Add Form

*** This form is not for Outreach College courses (Summer Sessions and Extension Terms). ***

- Courses may be added during the first 10 calendar days of the semester on MyUH.
- Students must use this form to add classes and change grading options after the Add period (from the eleventh calendar day of the semester). Note: Please obtain the Audit Approval Form when selecting the ‘audit’ grading option.
- Students must obtain permission. This form requires (in this order): (1) Instructor’s signature and (2) your College Student Academic Services representative’s approval, when the deadline to add courses or change grading option has passed. Make an appointment with your college student academic services advisor to discuss an exception to the deadline. Reason for the exception must be due to extenuating circumstances.
- If you are exceeding the credit load allowed for your student classification (19 credits for undergraduates, 16 credits for others), you must obtain approval from your College Student Academic Services office.
- Holds will prevent you from making changes to your registration. Check your registration status on MyUH to ensure that all holds have been cleared.
- Submit the completed Add Form to the Registrar’s Office Service Window, Queen Lili‘uokalani Center for Student Services, room 010. Mondays to Fridays, 8:00 am to 4:00 pm, excluding holidays. Valid photo ID required.
- Since deadlines and procedures differ between adding and withdrawing from classes, please refer to the current UH Mānoa Registration Guide for specific dates and payment and refund information. You are responsible for the accuracy of your registration and for meeting all deadlines for changes in registration.
