

Title IX Protects Pregnant Students

Your Rights With Title IX (gender non-discrimination in education)

Your absences must be excused for as long as your doctor says is medically necessary.

Individual faculty cannot establish attendance rules that conflict with federal law.

Be Proactive: Discuss & plan ahead with your faculty for a successful semester.

Contact Teresa Bill at SP@M if you need assistance speaking with faculty.

Keep notes (including emails and text messages) about your pregnancy-related absences, or any instances of harassment. Report problems ASAP to Dee Uwono or Teresa Bill.

Pregnancy can be an especially dangerous time for women in abusive relationships. Violence can often begin or escalate during pregnancy.

If you are experiencing intimate partner violence, please contact PAU Violence (uhmpau@hawaii.edu) or the Domestic Violence Action Center (531-3771).
