## Sophomore Year
- **Bridge Session**
- **Submit Departmental Approval Form**

## Junior Year
- Discuss with student, major academic advisor and faculty mentor if the **Honors Thesis** or **Honors Portfolio** is the right option;
- **Thesis** student should take **HON 495** or independent study with mentor to support writing of Thesis Project Proposal;
- **Portfolio** student should take **HON 499** to help think through and craft an Honors Portfolio proposal;
- Student will submit a **10-12 page written proposal** following the Honors Program guidelines for the option chosen;
- Student will submit, with the proposal, the **Honors Thesis/Portfolio Proposal and Mentor Form**, which must be initialed and signed by the faculty mentor who has agreed to oversee the Honors project

## Senior Year
