Founded in 1907, the University of Hawai‘i at Mānoa is the flagship campus of the University of Hawai‘i System. A destination of choice, students and faculty come from across the nation and around the world to take advantage of UH Mānoa’s unique research opportunities, diverse community, nationally-ranked Division I athletics program, and beautiful landscape. Consistently ranked a “best value” among U.S. colleges and universities, our students receive a quality education and have a unique, multicultural and global experience in a Hawaiian place of learning—truly like no place else on Earth.

85 Masters
58 Doctorates

RESEARCH & RECOGNITIONS
Classified by the Carnegie Foundation as having “very high research activity,” UH Mānoa is known for its pioneering research in such fields as oceanography, astronomy, Pacific Island and Asian area studies, linguistics, cancer research, and genetics. Nine of UH Mānoa’s faculty are currently members of the National Academy of Sciences, the National Academy of Engineering and the National Institute of Medicine. Factoring in the number of earned doctorates, number of full-time graduate students, total federal obligations, and total R&D expenditures, the National Science Foundation currently ranks UH Mānoa 71st among the top research universities in the United States.
