

**IUTAM Symposium
on Optimal Guidance and Control for Autonomous Systems**
<https://manoa.hawaii.edu/ISOGCAS2020/>

March 15-17, 2023
University of Hawai'i at Manoa, Honolulu, HI, USA
(in-person)

**Areas of Symposium include
but not limited to:**

- autonomous systems
- motion planning
- vehicle guidance
- feedback control
- machine learning
- reinforcement learning
- swarm network control
- centralized or decentralized control
- guidance, navigation, and control
- stability
- targeting
- data processing
- sensor fusion
- on-board control systems
- optimal control

Registration:

See the website above.

Important due dates:

- September 28, 2022: announcement
- December 20, 2022: abstract due
- January 20, 2023: acceptance notification
- February 20, 2023: final upload of papers
- February 1 – March 10, 2023: early registration
- March 14 - March 16, 2023: on-site registration

Social Program:

Come experience Aloha, the spirit of Hawai'i:

Na mea Ike ia

Proceedings of the Symposium is planned for publication with Springer in the IUTAM series.
For further details please contact
Dr. Dilmurat Azimov at azimov@hawaii.edu.
