Notes: BIOL 375/375L is only for Biology (B.A., B.S.), Marine Biology (B.S.), and Zoology (B.S.) majors.

Zoology (B.A.) majors will be mastered and assessed in ZOOL 490 since they do not take BIOL 375/375L

ZOOL 490: Senior Seminar is only used for Zoology (B.A., B.S.) majors.

(It should be noted that Biology & Zoology are presently midway through a merge into the Biology Department, thus a lot of assessment for both of these entities are also being merged)
