

Alignment of Education PhD program standards with program of study (core curriculum map)

Standards	PROGRAM REQUIREMENTS							
	Inquiry Research Courses (College Core)	Specialization and Emphasis Area Courses	Breadth or Elective Courses	Field Study or Internship in College Teaching	Dissertation	Exam: Written & Oral Comprehensive	Exam: Dissertation Proposal Defense	Exam: Oral Defense of Dissertation
1. Knowledge		X	X	X	X	X	X	X
2. Research	X			X	X	X	X	X
3. Caring and Professional Ethics	X			X	X	X	X	X

The College of Education doctoral program in collaboration with the Graduate Division monitors candidate progress throughout the program. Candidate's grades are monitored during the course-taking phase of the program, and candidates must pass a number of assessments as shown about along the way to graduation. Candidates are assigned interim advisors in the beginning of the program, and later chose a permanent advisor to chair their dissertation.
