

## English Department MA Curriculum Map

	Demonstrate foundational knowledge of two concentrations (Composition and Rhetoric, Creative Writing, Cultural Studies Asia/Pacific, Literary Studies in English) in the field of English, along with an enhanced understanding of English as a discipline of study.	Demonstrate understanding of advanced research methods and/or creative techniques in at least two concentrations in the MA: Composition and Rhetoric, Creative Writing, Cultural Studies Asia/Pacific, Literary Studies in English. Demonstrate ability to account for continuing relevance of earlier cultural formations and literary and rhetorical practices	Utilize one or more theoretical models deployed in the study or production of literature, culture, or rhetoric/composition.	Employ close reading skills to analyze a range of texts, engaging with ethical, cultural, aesthetic, and political issues salient to the archive they construct. Map, historicize, and contextualize MA projects/theses within chosen concentration.	Develop college-level teaching skills. Present research findings to varied audiences, including specialists and non-specialists alike, in oral and written formats.	Engage in responsible and ethically conducted research through the 625 foundations courses and, if conducting research with interviews, through IRB training. Adopt and develop responsible frameworks and practices for work in English studies from our cultural location in Hawai'i and the Pacific.	Demonstrate written and oral ability to place creative and/or scholarly work within broader artistic and/or critical conversations.
