

**University of Hawai'i at Mānoa, Zoology Graduate Program
Interim Committee Meeting Report Form**

Meeting Date: _____ Cohort Year: _____

Student Name: _____ ID number: _____

The interim committee is intended to help new graduate students address any course deficiencies and plan their graduate curriculum until they have formed their own graduate committee. For a list of undergraduate courses that all graduate students should have taken or remediated, see page 21 of the ZOOLOGY GRADUATE STUDENT AND FACULTY HANDBOOK.

MEETING INSTRUCTIONS:

- (1) Review the QUICK GUIDE TO STARTING GRADUATE SCHOOL and the ZOOLOGY GRADUATE PROGRAM QUICK REFERENCE GUIDE beginning on page 5 of the ZOOLOGY GRADUATE STUDENT AND FACULTY HANDBOOK.
- (2) Review the student's previous coursework in terms of both deficiencies that must be remediated and recommended courses to assist the student's research and career aspirations.
- (3) Fill-out this form and Form I, including any required courses for addressing any deficiencies in Form I and any recommended courses below.
- (4) Sign and submit this form and Form I to the Zoology Graduate Chair Mark Hixon, who will sign and return copies to the student and advisor.

Research and Career Interests (tentative):
