Master's Plan A – Thesis Submission (Form IV)

This form replaces what was formerly the signature page. It is to be signed by the chair and a majority of the committee, including any committee member(s) who may have been physically absent at the defense. All those who sign must have read and approved the manuscript in its entirety. By signing this form, committee members indicate approval of the content and the form of the finalized manuscript.

It is preferable to submit a single copy of this form with all approval signatures. In the event that approval signatures need to be obtained by email, multiple copies of this form with separate signatures may be submitted in lieu of a single copy.

Once you have deposited your manuscript on ETD ProQuest, please submit your FORM IV – Signature Page to Graduate Student Services immediately to process your graduation.
