

MS Sample submission

Please submit samples on bench top area labeled 'MS sample submission' through door 307 BLG addition in the Williams lab, unless particular storage conditions required, then contact TOD at tjod@hawaii.edu. Leave this paper with sample or email a copy to TOD. Samples run Monday AM and Thursday AM unless special request required.

Researcher name:

Group:

Email:

Special handling requirements (e.g. store at -20°C, acid sensitive, base sensitive, water reactive, etc):

<p>Sample ID: Structure:</p> <p>Requesting: Nominal Mass, Exact Mass, MS/MS Other: Attached details</p>	<p>Molecular Formula: _____ Molecular Weight: _____ ¹H and ¹³C data match? Yes or No Estimated purity? _____ % Purity estimated by? NMR or HPLC Solubility (Circle all that apply) Water Methanol Acetonitrile Chloroform Other:</p> <p>Any TLC or HPLC isolation conditions? Include solvent and Rf or Rt.</p> <p>Has previous MS work been done on this compound? Provide basic details.</p>
