Message from the President

Dear Graduates,

This has been an extraordinarily challenging academic year. So I want to extend a special personal congratulations to you for your commitment and resilience in earning your University of Hawai‘i at Mānoa degree this year. All of our faculty, staff, leadership and regents are deeply proud of what you have accomplished.

We remain committed to imparting a transformational higher education experience for every UH Mānoa student. Our goal is to ignite your passion for learning and discovery, instill a sense of local and global citizenship, and prepare you to achieve professional and personal success that will advance you, your family and your community. Whether your aspirations involve returning to the classroom in pursuit of an advanced degree or going out into the world to follow another calling, we applaud you for your decision to launch your journey with a University of Hawai‘i at Mānoa foundation.

We applaud the perseverance you needed to achieve this important milestone on your path to your future. And we invite you to stay connected with your alma mater. Whatever your interests, our programs of cultural performances, lectures, intercollegiate athletics, and alumni celebrations provide you ways to engage with fellow alumni and support UH.

But today is a day to revel in your success as we celebrate your achievement and your initiation into our family of alumni.

Congratulations!

David Lassner
President
University of Hawai‘i
Message from the Provost

Aloha Graduates,

I want to add my voice to the many voices who will be expressing their congratulations for your remarkable accomplishment! I use the word remarkable because you have achieved this important milestone in your life under the most challenging of circumstances. And yet throughout the past year, you persevered, you encouraged and assisted one another, and you succeeded!

Your class will always have a special place in our hearts. This was certainly not the semester, nor the commencement, that we all planned for. But not even a global pandemic can in any way diminish the feelings of pride and joy that you and your loved ones feel on this special occasion.

On behalf of all of the faculty, staff, and administration of the University of Hawai‘i at Mānoa, congratulations on your accomplishments, and continued good fortune as you navigate the next steps in your career. And please don’t be a stranger; Mānoa will always be your home. We look forward to learning about your future successes and adventures.

Me ke aloha,

Michael Bruno
Provost
University of Hawai‘i at Mānoa
Message from the University of Hawai‘i Office of Alumni Relations

To the newest members of the UH Alumni ‘Ohana,

You did it! Congratulations, Class of 2021, on your graduation from the University of Hawai‘i. Though this last year may not have been the way you thought it would be, we want to be among the first to say: nothing negates the hard work and brilliant successes of your time at UH. You all have taken unique journeys to get here, each as inspiring as the next. Your University of Hawai‘i chapter is written into your memory, the memories of your closest friends, and the collective memory of our great alma mater. Today, we celebrate.

In the coming years, some part of this university will remain with you. It will touch you in unexpected moments and in unanticipated ways. Just as this place will endure within you, you leave behind a part of yourself that will forever make UH different, better. As you say aloha to UH Mānoa, we encourage you to greet the great future before you as a new member of the UH Alumni ‘Ohana.

Our Alumni ‘Ohana may be bigger than you even imagined. Over 200,000 graduates in over 60 countries, all with one common green and white thread. We are nurses, doctors, performers, teachers, parents, writers, scientists, athletes. We are collectively astonishing and all-together empowered to change the world.

So as you get to know your life after graduation, we ask you to do us, the Alumni Relations team, one favor: Stick with us. Send us updates about you and your college friends. Attend an alumni event. Cheer on the ‘bows at a game. Ask us how we can help you in this new chapter, and the next one, and the next one. As you move forward, we’ll be here, at the ready to support you and remind you that UH was once, and will always be, home.

Aloha, and a hui hou kākou,
The University of Hawai‘i Office of Alumni Relations

UNIVERSITY OF HAWAI‘I AT MĀNOA

The University of Hawai‘i at Mānoa was founded in 1907 as a college of agriculture and mechanical arts on the island of O‘ahu. With the establishment of the College of Arts and Sciences in 1920, the College of Hawai‘i became a university, and in 1972, the flagship campus officially became the University of Hawai‘i at Mānoa. Today, Mānoa is a land-, sea- and space-grant research institution. There are 15 colleges & schools with 248 degree programs. The campus continues to be one of the nation’s most diverse with 140 countries and regions represented and an ethnically heterogeneous student population, unparalleled by any institution on the continent and rooted in the traditions and values of its host culture.
