

VEHICLE SAFETY PARKING TIPS

- **Do not leave valuables** inside a vehicle or unattended, especially if they are in open view.
- **Lock your vehicle and close all windows** every time you leave your vehicle, even if only for a few minutes.
- **Always double-check** your door handle to ensure that it is locked before leaving.
- **Activate your alarm system** each time you leave your car unattended.
- **Whenever possible, park in well-lighted areas.**
- **Do not tag your keys** with your address or license plate number.
- **Report suspicious activity or behavior** such as an individual loitering around vehicles, peering into vehicles, trying door handles, or wandering in an area without legitimate business, to DPS at (808) 956-6911 or HPD at 911.
