#### • TESTIMONIAL

*"I had wanted to take the CELTA for years, having heard that it's the "gold standard" in the world of ESL certifications. Thinking that they were all the same cookie-cutter licensing courses, I thought it'd be fun to take it in some exotic location. But after taking the CELTA at HELP, I can't imagine taking it anywhere else. The instructors tailored the sessions to our needs and the staff at HELP made sure everything from the facilities to support services was in place to maximize the learning environment. I would strongly recommend taking the CELTA through HELP to jumpstart your career in teaching ESL at a center full of the Aloha Spirit!"*
