

Table 3.7. Data sheet for identifying gastropod shells

	Shell			
	1	2	3	4
A. Shell shape				
B. Shell measurements				
Total shell length				
Aperture length				
Spire length				
Body whorl length				
C. Aperture margin				
No teeth				
Lip teeth				
Columella lip teeth				
Both columella and lip teeth				
D. Aperture features				
Canal				
Notch				
Varices				
Operculum				
Opens right				
Opens left				
E. Sculpturing				
Ridges				
Knobs				
Spines				
Grooves				
Other				

F. Color and pattern				
G. Visible features (Scars, encrustations, drilled/bored holes, erosion)				
H. Other notes
