

Table 1.4. Bacteria survival over generations

Generation	Bacteria	Number of Bacteria			
		At start of generation	Dead (end of generation)	Survivors (end of generation)	Reproduction (multiply surviving bacteria by 2)
1	Typical (coated paper clip)				
	Mutated (silver paper clip)				
2	Typical				
	Mutated				
3	Typical				
	Mutated				
4	Typical				
	Mutated				
5	Typical				
	Mutated				
6	Typical				
	Mutated
