* Approved by UH Mānoa's General Education Committee on April 14, 2019

** Oral Communication is part of UH Focus requirements rather than General Education Core graduation requirements and is not reflected in the General Education credit total of 31.

- Because UH Mānoa does not have hallmarks or explicit categories for Critical Thinking and Teamwork and Value Systems, these categories are met by taking courses in other categories that have a dual purpose.
- Students must meet the credit threshold listed in each Passport category to earn their UH Mānoa Passport.
- To earn a Passport, students must achieve a minimum grade of C in all courses in the Passport block.
