2. Demonstrate understanding of research methodology and techniques specific to one's field of study.

## ▶ Intellectual and Applied Skills

3. Apply research methodology and/or scholarly inquiry techniques specific to one's field of study.
4. Critically analyze, synthesize, and utilize information and data related to one's field of study.

## ▶ Communication Skills

5. Proficiently communicate and disseminate information in a manner relevant to the field and intended audience.

## ▶ Professional Responsibility

6. Conduct research or projects as a responsible and ethical professional, including consideration of and respect for other cultural perspectives.
7. Interact professionally with others.

# Reminders: Advanced Degree ILOs (cont'd)

- ▶ Align with Program Learning Objectives
  - 1:1 alignment PLO to ILO
- ▶ Align and assess degree and program/course requirements
  - If not yet started, start collecting data to ensure students are meeting the ILOs
- ▶ Share and collaborate with your program faculty on ways to assess/evaluate these objectives

# Considerations: For Current Students, Prospects, & Visitors

- ▶ Everyone is an ambassador for UHM and your graduate program
  - Responsiveness to inquiries/questions is highly important for all graduate faculty
  - Students' decisions are influenced by interaction with graduate chair/faculty
- ▶ Ensure program website is fully functional
  - Up-to-date, accurate, informative, ADA compliant, and appealing
- ▶ Clear program and degree requirements are helpful to all
  - Program sheet with all degree/program requirements

# Graduate Student Mentoring - What is the culture in your program?

- ▶ Is there a shared perspective on mentoring?
- ▶ Help for poor mentors?
- ▶ Develop mentoring capacity
  - It does take a village & team effort
  - Program/degree requirements, milestones, career pathways, funding opportunities, etc.
- ▶ Mentoring Resources
