### Confidential Financial Information for International Applicants

United States federal immigration regulations (US State Department) require potential non-immigrant student visa holders to show financial documentation indicating sufficient financial resources for their academic studies in the United States. Applicants requiring the Form I-20 or Form DS-2019 for an F-1 or J-1 (student) visa/status must complete the Confidential Financial Statement form for International Students and submit supporting financial documents as proof of financial support.

The estimated cost of attendance budgets for advanced degree programs administered by the UH Mānoa Graduate Division are based on a 9-month normative budget. Budgets are based on minimum [full-time enrollment](#) of at least 8 credits per semester as defined by the Graduate Division (excluding summer), mandatory fees, and the [cost of attendance](#) as estimated by the UH System Office and UH Mānoa Financial Aid Services. The cost of attendance includes food & housing for off-campus living arrangements, books & supplies, local transportation, and personal expenses.

Expect to pay additional tuition if you enroll for more than 8 credits per semester or attend summer session classes. The rate of your tuition depends upon the graduate program you will be registered for. Information on the current tuition and fees for UH Mānoa is found at: <https://manoa.hawaii.edu/registrar/tuition-fees/Graduate/>. Note: All tuition and fee charges at the University of Hawai'i campuses are subject to change in accordance with requirements of State law and/or action by the Board of Regents or university administration.

An additional cost to consider which is not included in the normative budgets is mandatory health insurance. Health insurance coverage is mandatory for F-1 and J-1 international students. Additional information for health insurance is found at the [International Student Services office webpage \(https://www.hawaii.edu/issmanoa/?page\\_id=39\)](https://www.hawaii.edu/issmanoa/?page_id=39) and the [University Health Services webpage \(http://www.hawaii.edu/shs/student\\_insurance/\)](http://www.hawaii.edu/shs/student_insurance/). This additional cost is not included in the budgets below but provided so that you may plan ahead for the expenses that you will incur. Your actual costs may vary depending upon your living arrangements and lifestyle.

The following are the Estimated Cost of Attendance Budgets for the **2025-2026 Academic Year** for the following programs:

Graduate Programs administered by UHM Graduate Division	Graduate Architecture	Graduate Nursing
<b>US\$50,309</b>	<b>US\$51,309</b>	<b>US\$58,213</b>
