

Academic Year 2017-2018 Priorities

University of Hawaii at Manoa Student Housing Services Assignment Priorities (*approved 5/2/12*)

Student Housing Services provides all current 2016-2017 academic school year in good financial and judicial standing residents the ability to reapply for housing for Academic Year 2017-2018 as part of a formal renewal process. After this renewal process is completed in Spring 2017, the following assignment priorities will be used to determine housing allotments for academic year housing applications. To ensure an application is eligible for priority consideration, housing applications must be submitted AND the university's partial tuition payment requirement must be paid by **May 1, 2017**.

1st Priority Reserved Spaces

1st priority for housing space is given to students in special categories established by the university that meet programmatic, educational and campus-wide goals such as Regent and Presidential Scholars, student athletes, National Student Exchange Program, special needs, and College Opportunities Program. Additionally, space is allotted to Residential Learning Programs.

2nd Priority New Students to the Manoa Campus

2nd priority for housing space is given to new students to the Manoa campus. New students will be offered contracts in the following order:

- Traditional freshmen resident and non-resident students confirmed to attend UHM who graduated from high school in the spring prior to the fall 2017 semester. (Traditional freshmen that apply by housing application deadline and meet the university's partial tuition payment requirement are guaranteed fall housing.)
