AAMC Communities Network – Connect, crowdsource and collaborate – Join today!

Continue to network long after the conference ends by joining the AAMC Communities Network – your virtual home for all things related to academic medicine and the wicked problems it faces today.

Join today:

<https://communities.aamc.org>

The screenshot shows the AAMC Communities Network website. At the top left is the AAMC logo and the text "AAMC | Communities". To the right are navigation links: "HOME", "COMMUNITIES", "DIRECTORY", and "HELP". A search icon and a "SIGN IN" button are also present. The main banner features a photograph of five medical professionals in white coats looking at a device. Text on the banner reads: "Learning and growing together to address the future of academic medicine" and "The AAMC Communities Network is a private, members-only space that connects you to the world of academic medicine." Below this is a red "REGISTER" button. The lower section contains three white boxes with icons and text: "Get Answers" (with a speech bubble icon) with the subtext "Ask peers in academic medicine for advice or feedback."; "Make Connections" (with a person icon) with the subtext "Grow your network and connect with peers across the country."; and "Share Knowledge" (with a lightbulb icon) with the subtext "Browse discussions and contribute insights and expertise."

MISSION

The AAMC leads and serves academic medicine to improve the health of people everywhere.

VISION

A healthier future through learning, discovery, health care, and community collaborations.

10 PLANS FOR ACTION

No. 1

Strengthen the Medical Education Continuum for Transformed Health Care and Learning Environments

No. 2

Extend the AAMC's Leadership Role in Helping Students Progress Through Their Medical Professional Journey

No. 3

Equip Medical Schools and Teaching Hospitals and Health Systems to Become More Inclusive, Equitable Organizations

No. 4

Increase Significantly the Number of Diverse Medical School Applicants and Matriculants

No. 5

Strengthen the Nation's Commitment to Medical Research and the Research Community

No. 6

Enhance the Skills and Capacity of People in Academic Medicine

No. 7

Improve Access to Health Care for All

No. 8

Advance Knowledge Through the AAMC Research and Action Institute

No. 9

Launch the AAMC as a National Leader in Health Equity and Health Justice

No. 10

Adapt the AAMC to the Changing Needs of Academic Medicine
