### Nam Young Chung Collection (RG 15)

The Nam Young Chung collection consists of 120 35mm color transparencies, mostly made in Korea between 1945 and 1948 by Chung, who served as a military government officer in the U.S. Army; a collection of phonograph records, mostly 78 rpm disks containing Korean music; and a typescript autobiographical essay by Chung. For a list of the phonograph records in the collection, see [\*\*Audio Recordings in the Nam Young Chung Collection.\*\*](#)
