Candidates for the seven offices, three in each, have been selected after careful survey and deliberation by the nomination committee, consisting of P. S. Pyun, J. Y. Whang, and Soo Mo Kang, who met together last Sunday and drafted the names shown here. All by no means compulsory, the members will be referred to for these nominations. Those who desire to serve as an intelligent elector, free from favor and bias...

As the crowd surged into the halls, Saturday evening, each will be given a membership application blank plus a ballot. He or she is expected to sign the membership card first before taking a hand in the process of voting. YouCAJugling here the mark must not come near the parentheses in the box. At about 8:00 p.m. the ballots will be counted and the results announced in the house. A short in- augural ceremony for the President, Vice President, and Secretary will be performed, and then the chief executive will in turn announce the appointment of the various committees and sub-committees which the constitution of the Alliance requires the President to make.

St. Luke's Korean Church Making Rapid Progress

Often neglected, and sometimes underestimated, but on go quietly unnoticed, by the public, yet with telling effect the St. Luke's Korean Mission continues to carry on its work of absorbing the Hula of the Bethlehem State Home and making many converts among the young women. Miss Sook Hee Choy, who is one of the Korean girls, has been visiting the high school and other institutions in other parts of the state, and has been able to reach many of the Chinese of the Chinese of St. Luke's.

Invitation

You are all cordially invited to attend the eleventh annual meeting of the Korean Students' Alliance, this Saturday evening Oct. 25 at 7:30 p.m. in the large room of the Numun X. Y. M. C. A. In order to make a success of the meeting, it is necessary that every young Korean be present.

Economic Problem Greatest Concern of Choy

Choy, back from Korea, makes a strong appeal with facts concerning the economic crisis.
OPEN FORUM

P. S. PYUN FOR PRESIDENT

P. S. Pyun is a very bright man. He understands parliamentary rules and talks good English. He is greatly needed in his current capacity in life and in the near future he should prove an important factor in the Korean的情况.

The only drawback about Pyun that I know of is that he is young, being only 19 years of age. But Napoleon crossed the Alps when he was 17. We do not know if this opportunity he may prove a Korean Bonaparte, who knows? Vote for Pyun as President in coming election for the benefit of the students of Korea. A Friend.

MISS BONG KUM CHOI FOR RECORDING SECRETARY

In selecting a person for the important office of recording secretary, there are two things the members should hold in mind. First, he or she must be well educated with a desire to discharge the duty of recording minutes accurately and punctually with a sense of faithfulness in work. Absence from meeting or growing lazy because of not being interested will happen with the recording secretary.

Looking around in Honolulu for someone who possesses these two qualities, I am sure none better than Miss Bong K. Choi. She is well educated and faithful in duty not only in her regular duties but also in unusual duties. Elected to that position she will prove an excellent one.

Vote for Miss Bong K. Choi.

JOON TAI WHANG FOR TREASURER

The Korean Student's Alliance has a lot of demands coming on his position for the next year. His duty to make this year a creator success and then a better success hereafter. It is up to him to uphold the traditions and to steer officers who follow him to a higher level. He is the most important officer in this whole set up. He cannot make an organization without his help. We must elect Mr. J. T. Whang as the treasurer. I know Mr. Whang has the right ability to make this organization a real success. I want to elect him as the treasurer of the Alliance. (Signed) Jacob Park

MISS BOONHEE CHOI FOR COR. SECRETARY

The Korean Student's Alliance has a lot of demands coming on his position for the next year. He is going to be the key person in the whole set up for the year. He must be an experienced officer who knows the duties of his position. If I am correct in my opinion I want to recommend you to vote for Miss Boonhee C. Choy as your cor. secretary. The Vice President, to my knowledge, is the one who is running the whole operation of the Alliance. He must be a person of high respect and good education can aspire to. I am of the opinion that Miss Boonhee C. Choy of the University of Hawaii will fill that position most admirably. She has the required knowledge and knows all the requirements of her position as well.

Therefore, I highly recommend her name, assuring you that if elected she will prove to be an efficient and enthusiastic, all for the good of our Alliance. Vote for Boonhee!

(Right) Thomas Hoo

The Song That Everybody Sings

IT AIN'T GONNA RAIN NO MORE

Oh, the night was dark and dreary,

The air was full of silent

The old man stood out in the storm,

His shoes were full of feet.

Oh, it ain't gonna rain, no more, no more,

It ain't gonna rain no more.

But how in the world can the old folks tell,

It ain't gonna rain no more.

Oh, Mosquito be fly high—

Mosquito be fly low—

If old man Skeets light on me,

He ain't gonna fly no more.

ETHAN S. KIEHM, THE EXPERT ACCOUNTANT

In any flourishing business firm, the bookkeeper plays a major part in promoting and retarding commercial possibilities. It has been said that the real foundation of business success is in the book-keeping system that actually shows whether money is being made or lost. If a concern has set of books that simply takes care of the accounts in a routine way without putting before the head of the firm, in a simple, understandable manner, the exact condition of the business, then the book-keeping system is a failure, however elaborate or simple it may be.

Mr. Ethan S. Kiehm, a young Korean, who previously was a book-keeper of a rigid accounting firm, has an experience in more than one firm, is ready to attend to your business book keeping before and after his working hours, that is to say from 8 a.m. to 5 p.m. in the morning and from 8 a.m. to 12 p.m. in the afternoon. He is an expert book-keeper at D. W. Chey's tailor shop and is known for his accuracy and neatness in work.

Kiehm is at present acting as an agent for C. H. Spooner Company, a well-known Accounting House in New York City. Regarding this, Kiehm states that he can rent a house larger and more comfortably equipped plant in the United States for making of loose leaf devices and accounting forms.

ATTENDING SCHOOL BY DAY AND WORKING BY NIGHT TO SAVE FAMILY

Attending school by day, and working by night in the fate of little Thomas Young, 10 years old son of Mr. W. W. Yoon of Kaka'ako. "How can a boy of your age do two things at once," was asked and he looked sad and shy. "If I don't work at night, my family will starve, so I feel as if at any time my future will await me, therefore I accept the present fate with contentment, realizing that my efforts will be simply rewarded." Mrs. E. A. Hawkins of Mau, after describing his story, was as deeply moved with genuine sympathy, that she started a fund to raise a scholarship, which enabled him to enter local high school this fall.

Methodists Enjoy Waikiki Picnic

Annual Sunday School picnic at Kapolei Park attended by a large crowd.

Early in the morning, old man Jupiter Pirvus threatened with a shower, but later toward noon Apollo smiled once more and over 100 members of the Methodist conference assembled at Kapolei park, Waikiki, last Sunday for a picnic which proved a success.

The games committee, Mr. Price Ryan, and the program committee Mr. King, acted in harmonious cooperation in preparing the program for the afternoon. Games ranging from "blind pig" to foot-ball were indulged in heartily by the young and old alike. Perhaps, none enjoyed the afternoon more than Mr. Lee Choo Yik, who posed as an insect-pounder for the occasion.

The purpose of the picnic was to stimulate more interest in the work of the church, especially on the sunday school and Kwooch League. If the grateful manifestations of the afternoon, the success of the purpose have been fulfilled to the letter, reports the pastor.
