SUBJECT: Limited Alert.

TO : See Distribution.

1. In the event of a "limited alert", i.e.; a riot or disturbance at some POW installation, all units will hold men who are off-duty in their respective areas, subject to call. Vehicles not needed for normal operation will also be held in readiness. Neither men nor vehicles will be assembled in any one place unless such procedure is specifically directed by this headquarters.

2. Guards will remain on post as usual and reliefs will proceed as scheduled. In the event troops are called for, men on post and one (1) relief will be left in the area.

3. The attached list of POW installations is for the guidance of all commanders in answering any "alert" calls. Battalions and separate companies will check this list carefully and report any inaccuracies or subsequent changes to this headquarters without delay.
