

Marjorie Grant Whiting Papers
 Box 14
 May 2010

| New Box # | Folder No. | Item | Description | Notes |
|-----------|-----------------------|---|---|---|
| 14 | 1 | Folder: loose material found in folder #1 | packet of requests from MGW to NIH Library for jnl articles; hand-written note "Guam" on original envelope; hand-drawn chart recording info on foodstuffs in Ghana; copy of paper presented in 1971 on Volta Lake in Ghana | note from ILL librarian to MGW dated 4/13/64; in orig. envelope return address Library at NIH |
| 14 | 2 | Folder: Kuru - Melaneasia (sic) Native, Nuerological (sic) Disorder | jnl articles and paper presented re: kuru | refolder, photocopy as needed. |
| 14 | 3 | Folder: Human Biology of Papua-New Guinea | jnl article, "The Institute of Human Biology of Papua-New Guinea." | refolder, photocopy contents. |
| 14 | 4 | Folder: Veterinary Necropsy Protocol 4249 | <u>Veterinary Necropsy Protocol</u> , Armed Forces Institute of Pathology, n.d. note on front cover of booklet \$ 5910 (don't know what 5910 is for) | refolder |
| 14 | 5 | Folder: loose material found in folder #2 | <u>The Journal of Tropical Pediatrics and Environmental Child Health</u> , Vol 18, number 1, March 1972. | several pages missing, apparently cut from jnl |
| 14 | 6 | Folder: Trust Territory of the Pacific Islands | items from the <u>Congressional Record</u> , booklet, <u>1956 Annual Report The High Commissioner of the Trust Territory of the Pacific Islands...</u> , correspondence to and from MGW re: proposed research in the Trust Territory that was denied at the time. | refolder, photocopy as needed. One personal letter from MGW to "Dear Ann and Jack" Oct 28, no year; carbon copy, 3pp, incomplete? no closing statement. |
| 14 | 7 | Folder: Plants: (Mitogawa, Japan) Food, Medicinal, Toxic | hand-written and typed notes describing plants of interest in Japan; memo sent accompanying seed specimens of 10 legumes from Japan to NIH; lists of plant names, esp. legumes from Japan. | refolder, photocopy as needed. Jan. 28, 1964 correspondence to Gail Williams re: cows in Mitogawa describing "leg distortions" and asks if lit. search can be done. |
| 14 | 8 | **Folder: Hawaiian-Pacific Rim Studies | booklet <u>Antivenins</u> ; papers on cropping systems, legal systems in the Western Pacific; what appears to be a research proposal: "Biological and Chemical Evaluation of Certain Guam Plants." Recipe book for PNG. | **noted "Biological and Chemical Evaluation..." proposal by U. Of Pittsburgh to investigate selected plants from MGW's list compiled during her visits to Guam in 1957-58 and 1963 in the Addendum. See letter re: proposal in Folder: Plants of Guam dated January 17, 1966. Some files transferred to Box 12b - Fd. 9 |
| 14 | 9 | **Folder: #5092 Plants of Guam - Data | reprint, "Man Does Not Live by Calories Alone..." code sheets for plant Genera, spp., habitat, uses, etc., | photocopy as needed and refolder. |
| 14 | 10 | Folder: Chamoro (sic) Vocabulary Guam language | booklet: Lingua | |
| 14 | 11 | Folder: no tab label | on front of folder: February 16, 1988 "This is in abc order of Author." Bib "Toxicity of Cycads" with pencil note, "New additions made but corrections not made MGW: Latest copy Feb 16..." | refolder but photocopy notes on front cover and inside front cover; |
| 14 | 12 (Folder 1 of 2) | Folder: Pacific Science Congress - Addresses | booklet <u>List of Botanists Interested in Pacific Basin Problems</u> ; 9th, 10th, 11th, Pacific Science Congress papers. | photocopy as needed and refolder. Some files transferred to box 12b - Folder 8 |
| 14 | 13 (Folder 2 of 2) | Folder: Pacific Science Congress - Addresses | booklet <u>List of Botanists Interested in Pacific Basin Problems</u> ; 9th, 10th, 11th, Pacific Science Congress papers. | Some files transferred to box 12b - Folder 12 |
| 14 | 14 | Folder: Plant Specimens (sic) 1968 tested by USDA 4457 | pages of plant Families with corrections; "Index" Table and "Master File" with Families, Genera and spp. with coding and vernacular. | photocopy contents, toss board and refolder. Some files transferred to 12b - Folders 7, 13 |
| 14 | 15 | Folder: Grollman A | bibliography of Dr. Arthur Grollman | photocopy as needed and refolder. Some files transferred to box 12b - Folder 10 |

Marjorie Grant Whiting Papers
 Box 14
 May 2010

| New Box # | Folder No. | Item | Description | Notes |
|-----------|-----------------------|--|--|---|
| 14 | 16 | Folder: F & D Memos | cyclamate bib., info and FDA Fact Sheet on artificial sweeteners and nutrition "quacks;" report on mycotoxins; | photocopy as needed and refolder; report on mycotoxins incl. photo which was interleaved with a/f paper. Keep as is or rehouse with mylar sleeve? Some files transferred to box12b - Folder 11 |
| 14 | 17 | Folder: Traditional Foods Samoa | "A Food File: Traditional Foods of Samoa." Anthropological Field Methods in Nutrition. Nancy Ulsh, June 20, 1974 | was this a thesis for which MGW was on the committee? |
| 14 | 18 | **Folder: Plants of Guam | "Plants of Guam: Food, Medicinal, and Toxic (Local and Botanical Names)" original and 2 photocopies; 2p. list of "Plants" by Family name; "Use of Medicinal Plants;" material on foods and cooking in the South Seas. **Notes on mannitol and sorbitol, August 1969 by MGW, et al, meeting to help "to bring the FDA files on these compounds up-to-date." | ** See letter dated January 17, 1966 in response to proposal by U. Of Pittsburgh to do "Biological and Chemical Evaluation" of Guam plants from MGW's list; photocopy as needed and refolder. |
| 14 | 19 | Folder: MGW's Cycad Notes | notes with corrections about elements other than cycads also in folder; : A Neuro Toxin in Cycods (sic) mentions "Movies...available from M. Whiting..." article and paper on cycads, 3 c. of report on chemical analysis of <i>C. circinalis</i> . | 2nd reference noted re: film/movie in the collection. A/V material somewhere? photocopy as needed and refolder. |
| 14 | 20 | Folder: no tab, typed on label on front of folder "Palms and Cycads" | hand-written notes on front of folder: "Bot[any?] 6034 Calif. On label: vol 2 p 91; by W. Hertrich 1951 after title. | Photocopy front of original folder, all contents and refolder. |
| 14 | 21 (Folder 1 of 2) | Folder: Cycad Research 4008 | articles, papers re: AML, cycads; "Key to the Genera of Cycads" several carbon copies; blurb in Nutrition Notes, Oct. 1965 by MGW re: advances in research on toxicity of cycads; several pages of what appears to be papers presented at Cycad Conference - one reference to 5th conference - obviously not entire proceedings, session pages are missing. 3rd reference to film title" Paralysis in Cattle following Ingestion of Cycad Plant Material." | photocopy as needed, refolder. Some Conference pages have photo-like ills., others have white-out; 6 c. of "Research Progress on Cycads," <u>Economic Botany</u> by MGW, et al, January-March, 1966. Correspondence to MGW from Mason Research in MA and Div. of Ag and Stock in Australia; " Studies on Neocycasins, New Glycosides of Cycads, A Table of Errata" 2 c. Some files transferred to box 12b - Folder 14 |
| 14 | 22 (Folder 2 of 2) | Folder: Cycad Research 4008 | articles, papers re: AML, cycads; "Key to the Genera of Cycads" several carbon copies; blurb in Nutrition Notes, Oct. 1965 by MGW re: advances in research on toxicity of cycads; several pages of what appears to be papers presented at Cycad Conference - one reference to 5th conference - obviously not entire proceedings, session pages are missing. 3rd reference to film title" Paralysis in Cattle following Ingestion of Cycad Plant Material." | |
| 14 | 23 | Folder: Cycad Reprints Harris 4662 | 3 copies of reprint "Research Progress on Cycads," <u>Economic Botany</u> by MGW, et al, January-March, 1966. Hand-written note on one copy "after 4th conf. Jan-March 1966." Other copies noted "1965." | |
| 14 | 24 (Folder 1 of 2) | Folder: Cycad Bibliography | references for bib with notations for changes, corrections; article from <u>Federation Proceedings</u> , Vol. 31, No. 5, September-October, 1972 also with notations. | photocopy as needed, refolder |
| 14 | 25 (Folder 2 of 2) | Folder: Cycad Bibliography | references for bib with notations for changes, corrections; article from <u>Federation Proceedings</u> , Vol. 31, No. 5, September-October, 1972 also with notations. | |
| 14 | 26 | Folder: Ponape | booklet <u>An Epidemic of Eosinophilic Meningitis, a Previously Undescribed Disease, Occurring on Ponape, Eastern Carolines</u> , from the Naval Medical Research Institute. Hand-written note #5982; t.p. gives date 14 October 1948. Article "Magic and Medicine in Ponape, with note #5391 also in folder and sheet with hand-written notes with numbers and plant Families? | photocopy as needed, refolder |

Marjorie Grant Whiting Papers
Box 14
May 2010

| New Box # | Folder No. | Item | Description | Notes |
|-----------|-----------------------|---|--|---|
| 14 | 27 | **Folder: Plants of Guam Text | 8 x 5 1/4 sheets of vocabulary for food; what appears to be a story book by the Ponape Intermediate Skuhl, January, 1953. Notation at upper right, "Ponape MW #3983;" notes on parts of plant; draft of <u>Plants of the Island of Guam</u> | **Notes on Field Methods from trips in "March and April and May, 1954" and "from Sept 1958 to March 1959." "Information...supplemented with during conferences with Guamanians in California and in Washington, D.C." photocopy as needed, refolder |
| 14 | 28 | Folder: Children - Disease - Guam written over 4508 | Study by Ruth Hembekides, Nutritionist, Public Health in Guam, dated July 1964 re: dietary evaluation of children in "slow-learners' class" | |
| 14 | 29 | Folder: Plants of !Kung Bushmen | paper describing "Economic Plants of the !Kung Bushmen, Botswana, Africa. Intro page describes collection, identification, etc., and advises that requests for additional identification data go to MGW; remaining pp. lists plant Families. | |
| 14 | 30 | Folder: loose material found in folder #3 | Richards, Audrey I. <u>Land, Labour & Diet In Northern Rhodesia</u> International African Institute, Oxford, 1939, pp. 5-14. [Coded 4674 ?] | photocopy contents. |
| 14 | 31 | Folder: MT [?] on front "Give aways?" | hand-written notes from trip to Miami, n.d. Discusses meetings with several individuals re: varieties of cycads and lab work with cycad <i>Zamia</i> spp.; animals afflicted with derriegue [paralytic rabies.] | See next folder "Cycad Correspondence." 5th Cycad Conference was held in Miami, FL, April 24-25, 1967 |
| 14 | 32 (Folder 1 of 4) | **Folder: Cycad Correspondence | draft for "Toxicity of Cycads" by MGW citations and abstracts, articles, correspondence, requests for material re: cycad research, etc. ** letter attached to notes dated Sun. Feb. 2, 1969 by JFM (Dr. Morton) refers to "animals shown in Marjorie's films" as abnormal; | **Contains reprint of "Toxicity of Cycads" by MGW from <u>Economic Botany</u> , Vo. 17, No. 4, October-December, 1963. Folder is too full-should be arranged and divided chronologically; photocopy as needed, refolder, dividing contents as suggested. Some papers are fragile and should be handled with care. |
| 14 | 33 (Folder 2 of 4) | **Folder: Cycad Correspondence | draft for "Toxicity of Cycads" by MGW citations and abstracts, articles, correspondence, requests for material re: cycad research, etc. ** letter attached to notes dated Sun. Feb. 2, 1969 by JFM (Dr. Morton) refers to "animals shown in Marjorie's films" as abnormal; | **Contains reprint of "Toxicity of Cycads" by MGW from <u>Economic Botany</u> , Vo. 17, No. 4, October-December, 1963. Folder is too full-should be arranged and divided chronologically; photocopy as needed, refolder, dividing contents as suggested. Some papers are fragile and should be handled with care. |
| 14 | 34 (Folder 3 of 4) | **Folder: Cycad Correspondence | draft for "Toxicity of Cycads" by MGW citations and abstracts, articles, correspondence, requests for material re: cycad research, etc. ** letter attached to notes dated Sun. Feb. 2, 1969 by JFM (Dr. Morton) refers to "animals shown in Marjorie's films" as abnormal; | **Contains reprint of "Toxicity of Cycads" by MGW from <u>Economic Botany</u> , Vo. 17, No. 4, October-December, 1963. Folder is too full-should be arranged and divided chronologically; photocopy as needed, refolder, dividing contents as suggested. Some papers are fragile and should be handled with care. |
| 14 | 35 (Folder 4 of 4) | **Folder: Cycad Correspondence | draft for "Toxicity of Cycads" by MGW citations and abstracts, articles, correspondence, requests for material re: cycad research, etc. ** letter attached to notes dated Sun. Feb. 2, 1969 by JFM (Dr. Morton) refers to "animals shown in Marjorie's films" as abnormal; | **Contains reprint of "Toxicity of Cycads" by MGW from <u>Economic Botany</u> , Vo. 17, No. 4, October-December, 1963. Folder is too full-should be arranged and divided chronologically; photocopy as needed, refolder, dividing contents as suggested. Some papers are fragile and should be handled with care. |

Marjorie Grant Whiting Papers
 Box 14
 May 2010

| New Box # | Folder No. | Item | Description | Notes |
|-----------|-----------------------|--|---|---|
| 14 | 36 (Folder 1 of 2) | Folder: loose material found in folder #4 | abstracts, articles re: cycads research; draft checked 12-18-86 "Bibliography on Cycads" (In two parts) Part II... | photocopy as needed. |
| 14 | 37 (Folder 2 of 2) | Folder: loose material found in folder #4 | abstracts, articles re: cycads research; draft checked 12-18-86 "Bibliography on Cycads" (In two parts) Part II... | photocopy as needed. |
| 14 | 38 | Folder: Safford, W.E. | appears to be sections extracted from a source authored by Safford, no title. | photocopy contents and refolder. |
| 14 | | <u>Record</u> book: green cloth bound | notes on Medicare, Krebs' Cycle, clippings from Alabama newspapers, 1966; notes apparently taken during interviews in various communities in AL about segregation & medical care; several blank pp. | personal notecard tucked into book with message to "Stacie;" voucher for trip to Dallas and address taped on last p. |
| 14 | | <u>Record</u> book: green cloth bound. On spine: "Chamorro Guam Plants " | scientific and vernacular language naming plants of Guam | |
| 14 | | ** <u>Record</u> book: green cloth bound. On spine: "Whiting Mar 1964" | 1964 on upper right front cover. MGW's notes to self ("Problems during travels...")/reminders/diary/planner. | **Notes on aromatic, heterocyclic nitrosamines, other chemical reactions. What looks like study data starting on p. 158 Several blank pp. |
| 14 | | ** <u>Record</u> book: green cloth bound. On front cover: "Whiting" | MGW's notes on several projects, people, complaints (p. 145;) Data Posting Sheet tucked in after p. 164. | **Notes apparently following telephone conversation "MGW to Hundley..." dated Mar 29, 1961 clipped to last p. re: MGW's "program within the Heart Institute." |
| 14 | 39 | Folder: loose material found in folder #5 | Booklet <u>Southeast Asia: An Annotated Bibliography of Selected Reference Sources in Western Languages</u> . #5704 on upper right of cover | |
| 14 | 40 | Folder: loose material found in folder #5 | Booklet: <u>The West Indies: Trinidad and Tobago, St. Lucia, St. Christopher, Nevis and Anguilla</u> . #5652 and M. Whiting on upper right of cover. | |
